## Amy's dad: Film paints bad picture

MITCH Winehouse says a documentary about his daughter Amy is "incredibly misleading".

Mr Winehouse spoke of his fury at the film's implication that he and others close to Amy (above) could have done more to help the singer before her death aged 27 in 2011.

He said: "I don't know what I could have done any differently."

"I couldn't have loved my daughter any more, cared for her any more."

"We sought all the help that we could, we were with the doctor every day."

"This impression that she was on this downward spiral is not true because there were vast periods that she was absolutely right as rain."

Amy is directed by Asif Kapadia, and is the result of hours of interviews with people who knew the *Back To Black* singer.

## Online BBC3 is approved

PLANS to move BBC3 online in January 2016 have been approved by the BBC Trust.

It set many conditions, including a commitment from BBCs 1 and 2 to broadcast more BBC3 programmes aimed at 16-34 year olds.

It rejected proposals for a new BBC One+1 channel, which it said would be at the expense of commercial rivals.

The trust also agreed to CBBC's running time being extended until 9pm.

This follows a decline in viewers on CBBC in the last four years.

# HOME FROM HELL

## Tunisia wounded fly into UK

THE wounded survivors of last week's terror attacks in Tunisia were yesterday flown home to Britain.

RAF medics who saw service in Iraq and Afghanistan flew out to the North African country to bring them home.

They include Allison Heathcote - who had been due to celebrate her 30th wedding anniversary beside the

Mediterranean.

Instead she was wheeled off an RAF jet on a ventilator and her husband Phillip was confirmed dead - after they were both shot by a terrorist during the Tunisian beach massacre.

There were 37 deaths in the attack in Sousse, with 30 Brits believed to have been killed.

**ARMED police, the army, SAS and spies staged a mock terrorist attack on the streets of London yesterday.**

They were practicing how to react to a Tunisia-style lone wolf attack and featured hundreds of volunteers in fake blood.

Operation Strong Tower featured more than 1,000 Met police, armed forces, transport staff, Whitehall officials and volunteers posing as members of the public with fake severed limbs.

### Realistic

Deputy Assistant Commissioner Maxine de Brunner said the Met had never before put on an exercise of this magnitude and it was designed to be 'very realistic'.

It also included a 'live play' of a terrorist attack at a tube station, days

before London marks 10 years since the 7/7 bombings which left 52 dead.

David Cameron said the operation will 'test and refine the UK's preparedness for dealing with a serious terrorist attack'.

The two-day training exercise began in central London to see how a large number of agencies work together in the face of a chaos.

Police stressed the exercise had been planned since January.

## Homophobia 'may be sign of extremism'

HOMOPHOBIC views may be a sign that a pupil is at risk of becoming an extremist, Nicky Morgan has said.

The education secretary made the comment as schools in England and Wales were issued with a guide to identifying pupils in danger of radicalisation.

She said attacking core British values or being extremely intolerant of homosexuality were examples of behaviour that could raise the alarm.

The NUT said the guidance would cause teachers "nervousness and confusion".

The advice is designed to enable teachers to identify pupils who may have come under the influence of extremist organisations or being "groomed" by extremists.

The move follows Prime Minister David Cameron's call for people to become "intolerant of intolerance."

## Passengers left stranded by new Calais strike

THOUSANDS of cross-Channel passengers are stranded after striking Calais ferry workers set fire to rail tracks.

The MyFerryLink workers walked out on Monday for the second time in a week over the sale of the company's ferries to rival firm DFDS Seaways.

Both Eurostar and Shuttle services were suspended due to fire on the tracks.

Sailings between Dover and the French port are at a standstill.

Services to Dunkirk, however, are operating as normal.

The boss of P&O Ferries said security at Calais had been "abandoned", leaving passengers "caught in the middle".

A strike which began on June 23 led to the suspension of Channel Tunnel services and saw hundreds of migrants try to board UK-bound lorries.

The current strike action is expected to continue until Thursday.

## Michelle stays tight-lipped over Strictly!

PREPARE to witness Michelle Keegan's big bouncy boobs jiggling around in a skin-tight Lycra frock...

Because the former soap star has dropped the biggest hint yet she will be doing *Strictly Come Dancing* later this year!

The busty brunette has been widely tipped to make an appearance on the BBC1 show.

And now Michelle, 28 (*above*), appears to have confirmed it in an interview with *Hello!* magazine.

She told them: "I've got something in the pipeline towards the end of the year but I can't say what it is."

"It's killing me, because it's really exciting!"

*Strictly* typically kicks off at the end of September or early October.

One fan said: "I can't wait to see Michelle wobbling up the staircase to chat with Tess Daly. It'll be boob heaven!"

## Vicky: I'm too busy for a bonk

JUDGE Geordie telly star Vicky Pattison is suffering a debilitating SEX DROUGHT, she has revealed.

The brunette – who has recently had a boob job – hasn't been scuttled since splitting-up with former flame James Morgan in December last year.

And the pent-up 27-year-old sounds desperate for a jump.

The MTV beauty moaned: "I'm too busy for sex."

"I want to get away before the end of the summer but, knowing me, when I do I'll end up getting too drunk and then no-one will want to do it with me."

"So yeah, still no bloody sex for me."

Vicky has just written a semi-autobiographical novel called *All That Glitters...* which is crammed with nookie!

She revealed: "It's tasteful sex, though. Don't be expecting *Fifty Shades of Grey*."

**Flicking bean on screen got me very fired up, says Lizzy**

STUNNING Channel 4 actress Lizzy Caplan says being seen frigging herself off on screen was "intense".

The X-rated bean-flicking scene came in drama *Masters of Sex* (above), in which Lizzy, 33, played famous nookie researcher Virginia Johnson.

And Lizzy, who shot to fame in 2008's *Cloverfield*, says the experience was rather nerve-wracking.

She explained: "The nude scenes in *Masters of Sex* are certainly not boring."

"They give us pretty intense stuff to do."

"A standard-issue sex scene is one thing, but standing completely naked and masturbating in front of someone is quite another!"

The jammy fella watching Liz enjoy solo love is Brit actor Michael Sheen.

**Police hunt for heavy-breathing naked w\*inker**

COPS are searching for a naked stalker who terrified two women by creeping up behind them while pleasuring himself.

The perv was breathing heavily as he approached the women, believed to be in their 20s, in East Molesey, Surrey.

One of them called 999 and reported the man, saying he stared at them and started "breathing heavily" before running off into the bushes in the early hours of last Friday.

Writing online, she warned other locals about the pervert, stating: "A friend and I were followed home along Wolsey Road by a naked man pleasuring himself."

"We turned to face him after hearing heavy breathing behind us before he fled."

Police confirmed that officers had been in touch with the women and that the offence took place at around 12.20am on June 26. They are appealing for any witnesses to come forward.

## BABE'S SEXY HOLIDAY SNAPS

# Myleene's a Klass act!

**OH my, Myleene - your top's fallen off!**

The pop star, model, TV presenter, fashion designer and all-round red-hot stunna was taking a well-earned sunshine break when she whipped off her bikini top.

Desperate to avoid getting tanlines on her back as she relaxed in the Spanish sun, the 37-year-old decided to go topless.

But the canny former Hear'Say singer did manage to keep her nipples well hidden - much to the huge disappointment of Andrew

Johnson, who was holidaying in the same resort.

The 34-year-old computer technician said: "I spent hours watching her very closely, but I didn't even get a peak - not even a hint of areola. I was gutted."

"Don't get me wrong, it was nice to see her sunbathing in a bikini."

"I mean, that should be a result in itself, but because I was so close to getting a full view of her nips, I was a little bit gutted."

## Dave flies Hoff the handle at BGT judges

FUMING David Hasselhoff has ripped into his old *Britain's Got Talent* co-stars, branding them "rude and inappropriate".

The Hoff appeared as a judge on the ITV show back in 2011, alongside Simon Cowell, Amanda Holden, Michael McIntyre and Louis Walsh.

And the *Baywatch* actor, 62, reckons they were a right bunch of bastards.

He moaned: "I only lasted one series on *BGT*. There was some stuff going on with my co-stars behind my back."

"I'm not going to name names, but they were being rude and inappropriate towards me."

"It was down to their insecurities. They wanted to be the celebrity, but you can't compete with me."

Hasselhoff is now starring in his own show on Dave, called *Hoff The Record*, which airs on Thursdays at 9pm.

## Doctor Who crew find dead body

A BBC crew scouting for *Dr Who* locations found a dead body in a cave.

The film crew went into the prehistoric Paviland cave in Wales looking for eerie spots to film the sci-fi series.

But an inquest heard they found the body of Clive Knox, 48, next to a bottle of vodka and a jar of tablets.

The caves are known for the discovery of the Red Lady of Paviland – a skeleton dating back more than 33,000 years.

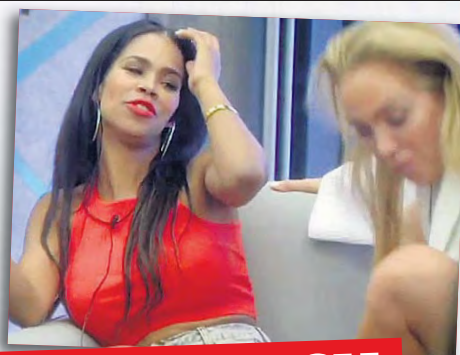

Father-of-four Clive worked at a quarry until a motorcycle accident in 1994 meant he could no longer walk.

A report concluded he died from a toxic combination of drugs.

Mr Knox left a note saying he was in pain and "did not want to be a burden on his family".

The inquest in Swansea recorded a verdict of suicide.

## THE BITCH IS BACK!

## Charley Uchea returns to Big Brother

CHARLEY UCHEA has made her *Big Brother* return, eight years after first appearing in the reality show.

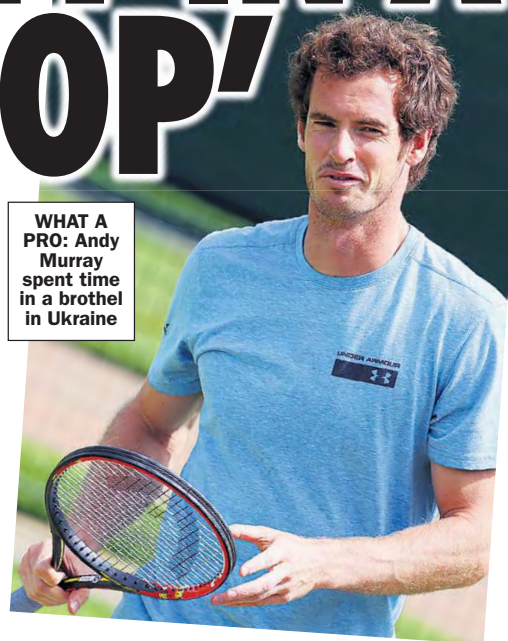

The BB8 star went back into the house that made her famous as part of the "Hotel BB" task.

And, true to form, the 27-year-old from Manchester made an immediate impact in a pair of skimpy shorts – shouting: "My arse is hanging out!"

But as this picture of the babe holidaying topless in Spain proves, she's had a lot more hanging out in public before.

Charley has already been in the BB house once before in this series during the week-long Time Warp party, but she is due for a longer stay this time.

WHAT A PRO: Andy Murray spent time in a brothel in Ukraine

IT was almost game, set and **SNATCH** for Andy Murray after he accidentally visited a **BROTHEL**, we can sensationally reveal.

The Scottish tennis champ is under a huge weight of expectation at Wimbledon this year – following last year's quarter-final defeat by Grigor Dimitrov.

But it's a world away from the time he found himself **NAKED** in a dodgy **KNOCKING SHOP**!

The shocking incident took place back in 2007, when a young Andy was taking part in a Davis Cup match in Odessa, Ukraine.

The British team were forced to move to a nearby complex as the Odessa Lawn Tennis Club's official changing room was full.

### Mirrored

And, to their horror, then-coach John Lloyd soon realised that the building was actually a **WHOREHOUSE**!

Lloyd, 60, revealed: "We discovered a nearby room which featured

pink decor, a bed, a mirrored ceiling and a shower.

"Alongside it was a waiting area – it was obvious what was going on."

Andy, 28, later said: "It was a strange place, very different to playing at Wimbledon!"

Earlier this year, the world ranked No.3 married his long-term girlfriend Kim Sears in his home town of Dunblane.

## WOMAN STABBED 40 TIMES BY NEIGHBOUR

A "BAD neighbour" who repeatedly stabbed the woman living next door in a "merciless act of vengeance" over a petty dispute has been sentenced to life behind bars with a minimum of 28 years.

Satellite TV engineer Trevor Gibbon, 48 (below), armed himself with two knives and ambushed Alison Morrison, 45, from behind as she walked to the station on her way to work on December 18 last year.

He stabbed Mrs Morrison 40 times on the day after he was handed a restraining order, having pleaded guilty to harassing her and her family since they moved into their £300,000 home.

As she lay dying in the street, Mrs Morrison – a *Which?* senior manager – told residents who had flocked to help her: "Trevor Gibbon did this to me."

The court had heard the trouble dated back to 2011 when Gibbon complained about the noise Mrs Morrison's son was making on his skateboard.

Gibbon went on to trap Mrs Morrison in her car, bang dustbin lids at 6am below her window, flash his car lights at them and even follow them to work.

Sentencing yesterday, judge Timothy Pontius told Gibbon, who is originally from Birmingham: "This was a merciless act of vengeance."

## Pilot spooked as drone nearly smashes into jet

A PASSENGER jet and an unmanned drone came dangerously close to COLLIDING in the skies above Heathrow as the plane came in to land.

The pilot flying the Airbus A320 complained to safety officials after the incident – when a device came within FIFTY FEET of the jet at around 1,700 feet.

Experts say drones can cause 'catastrophic damage' to airplanes if they collide.

It is the second time in less than a year that there has been a 'near miss' between the objects.

Safety inspectors at the UK Airprox Board said the person controlling the device – possibly a balloon, but more likely a drone – was never found after the scary incident at 9.23am on March 15.

The Airbus A320 pilot reported that he had been concerned by its proximity and the consequent safety of his aircraft.

The Civil Aviation Authority said it was 'clearly irresponsible' to fly a drone close to an airport.

## Mum and girl, 14, found dead

POLICE have discovered the bodies of a woman and her teenage daughter at their £2million Surrey home, 24 hours after a man thought to be her husband was found dead in France.

The bodies of Lisa Anthony, 47, and her daughter Ava, 14, were found yesterday morning after police were called to their home in Esher, Surrey, following concerns for the pair.

Their deaths are being linked to that of a man in Aix-en-Provence near Marseille, southern France, whose body was found on Sunday.

The man, who has not been named, is understood to be Mrs Anthony's husband and Ava's father, Jonathan Anthony, 50, who lived with them.

Authorities in France confirmed a British man had been found dead on Sunday. He is believed to have cut his own throat.

**Jane: I want to pop my cherry again**

The stunning actress and cake-maker says popping her cherry would be a whole lot more fun now that she's an expert between the sheets.

"It would be fun to lose it again without the guilt and pregnancy fears linked with it in the past."

The posh thesp, who famously bared her boobs in a string of films like 1970's *Deep End* (above) and 1994's *Closing Numbers*, still has a stonking body.

And the sex symbol, who had a five-year relationship with Paul McCartney, says she refuses to diet to look good.

A BRITISH man was arrested for romping with a woman in front of a shopping centre.

The couple stripped off in a FLOWERBED as red-faced shoppers walked by.

Their saucy antics in D'Alviano Street in the city of Trieste, eastern Italy, were only brought to a halt when someone called the cops.

A police source said the incident happened outside the Torri D'Europa shopping centre.

The woman was in the throes of passion and did not like being stopped.

She began yelling at one of the officers and was promptly arrested.

The man is from England but lives and works in Italy.

Both will be charged for acts against public decency and the woman, from the Ukraine, could be deported as her visa had expired.

## LYING WITH DOGS GIVES YOU FLEAS!

**AFTER the European elections in the summer of 2009, I went to Tunisia for a break.**

The resort where I stayed was Port El Kantoui, a few miles outside Sousse, and the hotel was the Royal Kenz.

Yes – the one that was the scene of the latest appalling Islamist massacre last week.

Our politicians – hamstrung by financial interests and political correctness – have been quick to condemn those immediately responsible.

And although they have quite rightly denounced Seifeddine Rezgui (right) as an evil murderer, they won't dare mention the bigger players who fund and back this warped form of Islam – so I will.

Let me start with Saudi Arabia, the main financial sponsor of Islamic State.

It is also the country that has poured hundreds of millions of pounds into Europe over the past few decades, to build mosques and sponsor madrassas – Islamic schools.

David Cameron and Prince Charles are so keen to hobnob with this lot that they even recently attended the funeral of King Abdullah – you know, that nice king who wouldn't let Saudi women drive or go to school, who locked up homosexuals and amputated people's limbs.

Anyone would think that our Prime Minister and future king were at the funeral because of oil or an arms deal or something.

We should be choosing our friends more carefully because as they saying goes: "You can

tell a lot about a person by the company they keep."

Or as I prefer: "If you lie down with dogs, you get up with fleas."

Although repressive, homophobic, misogynist and backward regimes like Saudi Arabia make my stomach churn, they don't in comparison with our self-loathing apologists who make excuses for these people and their ideology.

And as usual to find this lot you don't really have to look much further than the BBC, and in particular Sunday morning goody two-shoes programmes like *The Big*

British history.

Or, "Do we really understand Islam?", and then claim that it is poverty and not Islam which is making these fundamentalists commit these atrocities – because, again, that's what the average right-on *Guardian*-reading BBC employee wants to believe.

So we get these shows stuffed with guests who claim the umpteen terrorist attacks we've seen lately "have nothing to do with Islam", which is utter nonsense.

Questions or even *Sunday Morning Live*.

The kind of shows that ask questions like, "Should we be ashamed of our history?" and then clearly imply that we should because everyone in the BBC appears to be ashamed of

They know it, we know it, and they know that we know it – but they say it anyway because either they're Islamist sympathisers or, in the case of the BBC employees, it fits their nice, cuddly metropolitan view of the world.

Indeed, to suggest that these atrocities have "nothing to do with Islam" is so batshit crazy it's like saying the Inquisition had nothing to do with the Catholic Church or the Holocaust was nothing to do with the Nazis.

The Koran is the holy book of Islam, so to suggest that the atrocities being carried out in the name of this book and Islam have "nothing to do with Islam" is so bonkers that those who make this claim should be thrown immediately into a lunatic asylum... or given a job at the BBC.

If we're going to confront this cancer within our world then we must have the bottle to admit the obvious – which is that these atrocities definitely have everything to do with Islam.

**WHAT'S ANNOYING HIM THIS WEEK?**

**THE only way you'd ever get me to Glastonbury is if I were held down kicking and screaming after being set on fire.**

I'd sooner be lashed beneath a lorry and then driven miles across a rocky outcrop than sit in a field for three days smelling other people's turds while listening to bearded w\*\*kers tinkle their triangles.

If I wanted to see some fringe performance artists creating magic through the miracle of mime, I've always got those nutcases who smother themselves in gold paint every morning before going off to beg in Liverpool city centre.

And while we're at it, I haven't felt the need to ride down a helter skelter in about 30 years – and if you're over 12, neither should you.

That said, the festival inevitably creeps into our living room via the telly box and, in spite of myself, I always end up watching hours of live coverage.

Much has been made of Sunday afternoon's "legend" slot, this time taken up by 67-year-old Lionel Ritchie.

Watching through my fingers, I expected yet another cringe-worthy performance by someone who should by rights be at home with a mug of warm milk and a bag of Werther's

But no, the ex-Commodores man had more than 100,000 fans young and old eating out of the palm of his hand as he crooned through a back catalogue packed with huge worldwide hits.

Christ. Where to start? How about here – Kanye West is a muppet. His "songs" were simply dreadful and his performance woeful, his ego

**POLAR OPPOSITES:

crashing around the stage like a pissed hot air balloon.

Where our Lionel gratefully received the adulation of the crowd, Kanye rather demanded it like a playground bully ripped to the

bits with ADHD.

And he can't rap, either. Grandmaster Flash could rap. Melle Mel could rap. Even Mark "Return of the Mac" Morrison could bloody rap.

Remember White Lines? THAT was rap. Stomping around a stage continually shouting "nigga" at people isn't – it's just provocative nonsense.

Just because an individual is black doesn't mean they get to use offensive language with impunity.

West wasn't "owning" the term, as his apologists might put it – he was just abusing it.

And quite what example he wanted to give to the many millions of kids watching Glastonbury at home I really don't know.

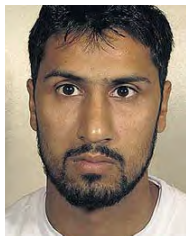

Nor do I see why the BBC – who once rightly bollocked Jeremy Clarkson for mumbling a racist term that wasn't even broadcast – should condone Kanye's appalling behaviour.

It might make a few of the backward roller-skating £300,000-a-year non-job trans Beeb executives feel all edgy and "down with (some of) the kids".

Unfortunately, it also makes them complete and utter hypocrites.

## Plane bomb terrorist fails with appeal

THE mastermind of a plot to blow up transatlantic flights using liquid bombs has failed in an attempt to overturn his conviction.

Abdulla Ahmed Ali developed a homemade hydrogen peroxide bomb disguised as a soft drink to get through airport security before being assembled on board.

It was one of the largest terrorist plans ever discovered in Britain and led to restrictions on carrying liquids on flights.

Ali, of Walthamstow (above), was convicted of conspiracy to murder in September 2009 and sentenced to a minimum of 40 years in jail.

He complained to the European Court of Human Rights that media coverage of a previous trial against him had swayed the jury and his conviction was therefore unfair.

But the Strasbourg court yesterday threw out his appeal.

Ali recruited suicide bombers to target seven flights in 2006.

If successful, the explosions could have exceeded the carnage of the September 11 attacks, his trial heard.

Martin Matthews, 48, of Bookham, Surrey, and photographer Pete McMurdie, 47, of Looe, Cornwall, said they were members of a group called "Stop the War on Dads".

The men said they wanted fewer private hearings in family courts, the introduction of family court juries, more punishment options for parents found to be in contempt of family court orders, as well as fairer treatment for fathers in disputes over children.

Mr Matthews chained himself to the main gate of the complex, forcing security staff to divert lawyers and visitors to other entrances.

Carla says she left the Roma defender, 34 – who once dated her sister – with a "busted lip". Her twin Melissa once told how she had sex with Cole after he split from ex missus Cheryl (now Fernandez-Versini).

Carla said she hit the former England left-back at central London's Tramp club at 5am and had to be dragged away by security.

Carla, 24, claimed: "I punched him hard three times with my right hand and I was wearing a ring."

"Ashley had followed me from the VIP section into the foyer area and just got in my face. So I lashed out."

Shortly after the alleged incident Carla tweeted she had hit Cole.

It read: "Happy I just punched up @therealAC3 long awaited."

The tweet has since been deleted.

It is not thought police were called to the nightclub incident.

Carla had been at the club with Canadian rapper Drake, 28. Her sister was not present.

Carla claimed: "I saw Ashley in the VIP section. He was wearing a white shirt and was with his driver."

"They kept looking over at me and I think they might have thought I was my sister."

"I left the bar and walked to the foyer but he followed me."

"He just started mouthing off and I thought he was trying to get me thrown out of the club. It was because my sister had spoken about her relationship with him."

**TOP GEAR EXCLUSIVE**

# MEET THE NEW STIG!

## BBC to hire Russian rally driver with a topless past

By **NEIL GOODWIN**  
neil@sundaysport.co.uk

**TOP GEAR** bosses will have viewers polishing their helmets after installing a sexy FEMALE as the new Stig.

The BBC motoring show is in the midst of a glitzy revamp with Chris Evans replacing the outgoing Jeremy Clarkson and a raft of new presenters tipped to join him in the studio.

But it's not just the hosts being overhauled, so is the series' mysterious "tame racing driver".

And in pole position to be handed the job is veteran Ukrainian Inessa Tushkanova.

**NICE HEADLAMPS!**  
Inessa Tushkanova

**GOOD EVANS!**  
Chris could be joined by a Russian beauty

Tushkanova, 28, who's taken part in almost 40 races in the World Rally Championship.

She recently turned heads at the Circuit of Ireland, Belfast, crashing in spectacular style after losing control of her Mitsubishi Lancer Evo X through a right-hand bend before flipping over a hedge into a field!

And sexy Inessa, 27, also puts her body through its paces as a steamy NUDE model!

The Moscow-based beauty said: "Nobody likes women in racing because it's easier to use us to attract sponsors!"

But she could be about to change all that by putting some motors to the test while donning a boob-hiding white jumpsuit.

Frontman Evans recently hinted: "The Stig could be replaced with a lady Stig. Anything's up for grabs."

Our source added: "Inessa ticks all the boxes. She's a fabulous driver and easy on the eye, too. The role is pretty much hers if she wants it."

## Sacked Top Gear Jezza up for gong

DESPITE being sacked from *Top Gear*, Jeremy Clarkson's years on the Beeb show could be about to end on a high.

The last series of the motoring programme featuring him, which ended on Sunday with an episode watched by 5.8million, has been nominated for the best entertainment show at the 2015 TV Choice Awards in September.

It will challenge Ant and Dec, whose *Saturday Night Takeaway* is also up for the prize, along with ITV2's *Celebrity Juice* and *The Graham Norton Show*.

Clarkson, who is currently on tour doing live motoring shows with former co-stars Richard Hammond and James May, is believed to be working on a rival to *Top Gear*.

*Poldark* star Aidan Turner from BBC1's Cornish saga, is up for the best actor award, along with *Doctor Who* star Peter Capaldi, *Broadchurch* lead David Tennant and James Nesbitt for *The Missing*.

The 32-year-old actor's co-star Eleanor Tomlinson, who played his screen wife Demelza, made the shortlist for best actress, facing Sheridan Smith, Olivia Colman and Jenna Coleman.

## Unpaid leave for parents up to 18wks

MILLIONS of working parents will be entitled to unpaid parental leave this summer, following a recent law change.

The TUC said parents with at least one year's service with an employer qualify for 18 weeks of unpaid leave per child after new rules were introduced this year.

General secretary Frances O'Grady said: "Many parents face huge difficulties combining work with childcare during school holidays."

"Many will be using paid annual leave to spend time with their children. But with school holidays lasting around 13 weeks and workers entitled to less than six weeks' paid holiday a year, working parents need more support."

"Our message to employers is to be as supportive as they can when their staff request parental leave or need changes in their working hours over the summer holidays."

# JASON MANFORD MUST DIE!

## Far right group targets comic

By NEIL GOODWIN neil@sundaysport.co.uk

**WORRIED comic Jason Manford is the subject of terrifying DEATH THREATS from angry far right extremists.**

He sparked outrage this week when he branded the political group Britain First "racist".

And now some hardcore supporters of the party have called for the funnyman to be MURDERED in sickening online posts.

The comedian, 34, wrote on Facebook: "Just had to delete 3 old school friends from my personal facebook page for sharing Britain First bullshit videos."

"Nowt more depressing than finding someone you know is a racist."

Britain First, formed in 2011 by ex-members of the BNP, denied the accusations, hitting back with: "How is it 'racist' to oppose a multi-racial religion whose adherents include black, white, Asian and Oriental people? Is it 'racist' to oppose Islamic extremism?"

Manford went on to say that not all Britain First followers were racist, but were simply "thick as f\*\*k" and

Phew! I thought they said diet...

ATTACK: Jason

"cockmuppets". But the Mancunian was swiftly trolled by internet maniacs.

One wrote: "If Manford don't wanna stick up for Britain he should be marched into Trafalgar Square and shot."

Another hater spat: "F\*\*k you Manford you fat c\*\*t. You deserve to die like all the other ISIS scum."

- 8= Robert Downey Jr. (actor) - £51m
- 8= Taylor Swift (pop star) - £51m
- 10 Cristiano Ronaldo (football) - £50m

BUSTY pop babe Katy Perry has been named the highest paid female celebrity of the year, beating Taylor Swift to the top woman spot.

Ellen DeGeneres, Lady Gaga, Beyoncé Knowles and Kim Kardashian's millions followed not too far behind in the women's category - though they didn't make it into this year's Top 10 highest paid celebs, which was 80 per cent male.

Katy, 30, has earned a cool £86million over the past 12 months, according to a report published in the July 20 edition of *Forbes*.

That figure makes the *Dark Horse* star not only the biggest female money-maker but also the third-highest-paid celeb in the world.

Only boxers Floyd Mayweather and Manny Pacquiao earned more over the last year.

And over the past five years, Katy has reportedly made £193m from her music and related businesses.

The boob-heavy singer described her success as that of an entrepreneur when talking to the mag.

## BLUE PETER LEGEND NOAKES MISSING

FORMER Blue Peter presenter John Noakes has gone missing from his home in Majorca.

His wife Vicky has put out an appeal for information after the 81-year-old disappeared yesterday morning on the hottest day of the year so far in Spain.

Town hall officials in Andratx, where Noakes lives, have also highlighted his disappearance on the council website.

Local police, who said Noakes (above) has Alzheimer's, were taking part in the search as temperatures rose.

An officer said: "He disappeared around 8.30am. We are searching along with Civil Guard officers."

"The worrying thing is his state of health and the fact he left home with nothing but the clothes he was wearing in temperatures of 95 degrees."

Noakes remains Blue Peter's longest-running presenter, appearing on the show for more than 12 years in the 1960s and 70s.

**Beach babes strip on hottest day of the year (...so far!)**

**NEWQUAY**

By SAM WALKER news@sundaysport.co.uk

**IF the sweltering heat doesn't raise your temperature, then these TOPLESS hotties will.**

All around Britain, boiling babes stripped off to keep cool during the warmest day of the year yesterday as the mercury hit 34 degrees C.

A trio of topless scorchers frolicked in the surf off Bournemouth, brazen babes bared their boobies in Lowestoft, Suffolk, while Lancashire's Morecambe Bay thronged with butt-hugging thongs.

And experts predict today will be even HOTTER, with parts of the country hitting a sweltering 36C – hotter even than the Sahara desert!

Top-heavy glamour model Lucy Bee, 23, aired her huge 32F assets on the beach at Formby, Merseyside, and told us: "I don't like white bits, so I always sunbathe with my boobs out, even if I'm in Britain!"

But there's a sting in the tail. The Environment Agency has issued a flood warning for Thursday and Friday, with the country battered by thunderstorms and 60mm of torrential rain.

## Foreign Office terror warning

**GOVERNMENT officials are warning tourists they are at high risk of a TERRORIST attack if they holiday in Spain!**

Millions of Brits travel to resorts like Magaluf and Benidorm every summer.

But now the Foreign office are warning the country is one of the most dangerous places to visit.

The news comes after the tragedy in Tunisia, which saw at least 30 Britons killed last week.

Government officials have issued a map showing the most dangerous tourist destinations.

Also marked out at the highest level are France, following a spate of ISIS attacks, and Egypt, where Islamists have targeted holidaymakers in the past.

### Severe

Turkey is also on the danger list.

Medium-risk zones include Germany, Italy and Greece – due to a heightened threat of terrorist attack globally against UK interests and British nationals

**By NEIL GOODWIN**  
neil@sundaysport.co.uk

from groups or individuals motivated by the conflict in Iraq and Syria.

The UK is also listed as in a severe terrorism state on GOV.uk, which indicates that an attack is highly likely.

A Foreign Office insider said: "Basically, everywhere where Brits go is dangerous."

"Be on your guard and always follow the advice of the local authorities."

## Fit women 'do better', say boffins

FIT women really do get a better deal in life, a new study has found.

Research says it's because beauty overrides the brain's reaction to fairness – tied to a subconscious competitive streak rooted in male evolution.

As part of the study, 21 male students at Zhejiang University in China, were asked to look at 300 photos of Chinese women.

A different group of men judged half of the women as attractive and the other half as unattractive, according to a report in the *Huffington Post*.

The men were then teamed up with some of the women whose faces they had just seen while playing a PC game.

They decided whether to split a small amount of money and at the same time, researchers studied their brain waves and noted their response times.

Men were more likely to accept bad deals from fit women – like singer Cheryl Cole (above) while they were quicker to respond to fair offers from good-looking women and slower with unfair offers.

## Holiday home brothel shock

A WOMAN who let her house out on a rental site discovered a hooker using it as a BROTHEL.

The home owner was alerted to the sex worker by neighbours who had seen a number of men coming and going.

She rented the room through AirBnB – a website that lets anyone turn their house into a holiday rental.

An AirBnB spokesman said problems with the more than 40 million people who had used the service were very rare.

He added: "When you book a reservation through our secure platform, you receive the benefits of AirBnB's global trust and safety program and our host guarantee."

The hooker was arrested within hours in New South Wales, Australia.

## Kym wins best bum gong

(...and her front's not too bad, either!)

**CORONATION Street** stunna Kym Marsh flaunts her peachy bottom – after being voted Rear of the Year!

The 39-year-old actress beat off stiff competition from former co-star Michelle Keegan to scoop the annual female prize.

Meanwhile, *Harry Potter* star Daniel Radcliffe won the bloke's award.

Kym, from Merseyside, said: "I'd like to thank everyone from the heart of my bottom for voting for me!"

"It's totally unexpected – but greatly appreciated."

"I'm very flattered to receive this award – it looks like all those extra gym sessions have paid off."

**AN IT worker caught by undercover police rubbing himself against a woman on a Tube train was told by a judge he needs to 'behave like a gentleman'.**

Irtaza Shahzad, 34, molested the woman on a Central Line train travelling between Chancery Lane and Bank stations during afternoon rush hour.

Plain-clothed cops saw him getting 'very close' to two or three women and rubbing his genital area against them after boarding a train at Holborn station at around 5.40pm.

The father-of-one, who is employed as an IT consultant by Network Rail, then sexually assaulted another woman after changing trains at Chancery Lane.

Shahzad was given a two-year community order, including sex offender treatment, at the Old Bailey.

He is also banned from travelling on the London Underground system between 7.15am to 9am and 4.30pm to 6.30pm.

### Sexist

Judge Nicholas Cooke said: "This offending is a problem on the London Underground."

"Women must be able to travel without this type of thing happening to them."

"You now understand the seriousness of this. Look where it has ended you up – in Court Two of the Central Criminal Court."

"We have moved in a generation from a world where it was considered sexist to think men on the Underground stood

By **ROSS THORNTON**  
news@sundaysport.co.uk

up for women to sit down, to where the Underground has a reputation for women being bothered by the sort of sexual conduct in this case.

"That is terrible for the reputation of this city and women deserve to be treated with respect."

"Do not trouble the courts again. When you are able to travel on the Underground, you will behave as a gentleman and not in this way."

Shahzad, of Slough, Berks, had previously admitted one count of sexual assault on January 22, 2015, while another charge was left to lie on file.

According to his LinkedIn profile, Shahzad has previously worked for Virgin Media and the Rural Payments Agency.

## 5 OTHER BRITS IN TINSELTOWN

### KELLY BROOK

THE former Page 3 girl previously lived in the States with ex-boyfriend Billy Zane. During that relationship, she appeared in several low-budget U.S. flicks, including *Survival Island* and *Piranha 3D*. Kelly, 35, from Rochester, recently starred in U.S. sitcom *One Big Happy* for the NBC network. Produced by chat show mogul Ellen DeGeneres, it was cancelled after just six episodes after being declared "a laughing stock" by critics.

### ANNA FRIEL

THE former *Brookside* star has made several attempts to 'break' America over the years, including the box office flop *Land of the Lost*, starring Will Ferrell. But the 38-year-old was recently cast in the lead role for critically-acclaimed HBO drama *Odyssey*. She plays a U.S. Army Sergeant who discovers a major corporation is funding Islamist terror groups and a cover-up in Mali, West Africa.

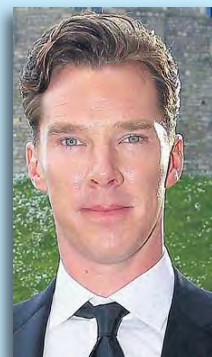

### CAREY MULLIGAN

AFTER several years on the West End, actress Carey Mulligan gained international fame for her role in British drama *An Education*. The 30-year-old has since appeared in *The Great Gatsby*, *Inside Llewyn Davis* and *Shame*, starring Michael Fassbender. She has recently returned to her theatrical roots, starring in a revival of David Hare's *Skylight* opposite Bill Nighy on Broadway.

### BENEDICT CUMBERBATCH

THE Sherlock actor's early career included Shakespearean productions and several British films, including *Atonement*. But his role as detective Sherlock Holmes brought him global fame – and an army of female fans called 'Cumberbitches'. The 38-year-old has since played villainous Khan in *Star Trek Into Darkness* and starred in *12 Years a Slave* and *The Hobbit: The Battle of the Five Armies*.

### ANDREW LINCOLN

AFTER cutting his teeth in Channel 4 sitcom *Teachers*, London-born actor Andrew Lincoln gained fame in romantic comedy *Love Actually*. But in 2010, he made his U.S. TV debut on Fox horror drama *The Walking Dead*, about the aftermath of a zombie apocalypse. Andrew, 41, plays protagonist Rick Grimes, and last year won a People's Choice Award for his performance.

OUR BABE IN RISE OF THE KRAYS...NOW SHE'S GONNA BE A STAR

# JEANA'S OFF TO HOLLYWOOD!

**SHE'S SMOKIN':** Producers see a big future for Jeana

**THE busty star of bloody Brit gangster flick *The Rise of the Krays* has been called "the next big thing" by major Hollywood producers.**

*Midweek Sport* babe Jeana Brock, 26, plays a stripper in the upcoming film, which follows Ronnie and Reggie Kray's reign of TERROR over London's East End in the early '60s.

She goes fully TOPLESS in the brutal drama – and even makes an appearance in the trailer, which is available to watch on YouTube.

But we can EXCLUSIVELY reveal that Jeana's bra-bustin' 32E whoppers have already caught the attention of Hollywood reps – who want to sign her up for a MULTI-MILLION pound contract!

## Naughty

Following in the footsteps of Kelly Brook – who has been in several U.S. films, including *Piranha 3D* – our sources claim Jeana is going to break the box office!

An insider revealed: "A group of high-level producers and agents saw an early cut of *The Rise of the Krays* in London last month.

"They were very impressed by the quality of the film – and were overhead comparing it favourably to *Get Carter*.

"But that's not all... apparently they also kept talking about 'that brunette' during the strip club scene. Of course, they were talking about Jeana!

"She must have really left a good impression! One of the agents

By **TOM RHODES**

news@sundaysport.co.uk

apparently said, 'We need to get her to the States' – and everybody else agreed.

"Most of the female stars in Hollywood are quite skinny. But they like Jeana because she's really busty! She's different.

"Hopefully, she'll be doing auditions and meeting directors in the next couple of months."

Speaking of her experience on set, Jeana, from Dover, said: "Our scene is like a naughty 60s sex party!"

"You've got all these strippers there, wearing vintage lingerie and whipping 'em out for the gangsters.

"We definitely got a few looks from the actors when we showed up on set. But they were actually really nice and down-to-earth and ended up having a laugh with us.

"The whole experience was a bit nerve-wracking, but it was great. I've seen bits of it and it honestly looks amazing.

"When it comes out, I plan to get all the girls round, have a few drinks and watch it together."

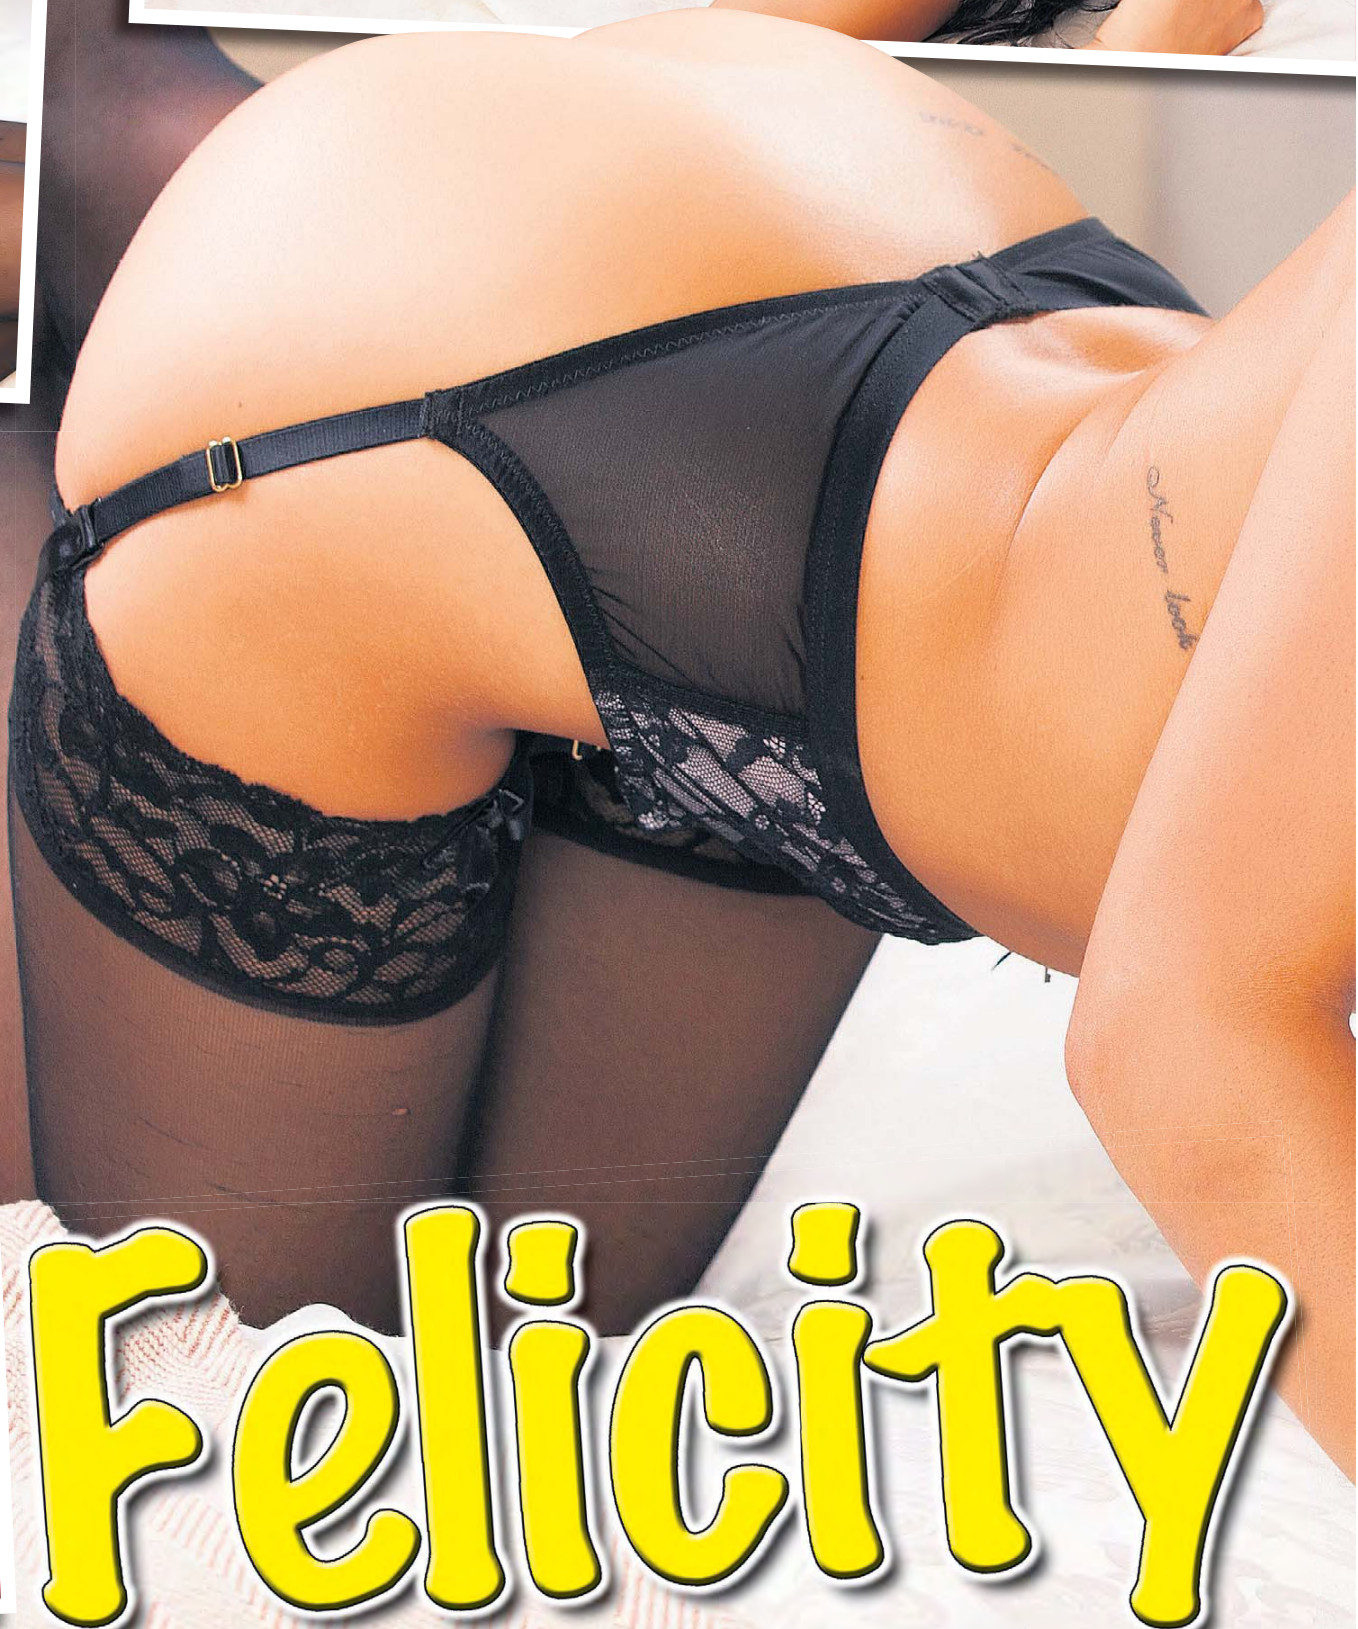

*The Rise of the Krays* is available on DVD, Blu-Ray and digital from 31 August.

## Racing great Kauto Star put down after fall

LEGENDARY racehorse Kauto Star has been put down after suffering pelvic and neck injuries in a fall in a paddock.

During a glittering career with champion trainer Paul Nicholls, the 15-year-old won the King George VI Chase at Kempton five times and became the first horse to regain the Cheltenham Gold Cup.

He retired from racing after pulling up in the 2012 renewal of the blue riband.

Kauto Star won 23 of his 41 races and won well over £2million in prize money.

He went on to pursue a career in dressage with Laura Collett and took part in a demonstration on the opening night of the London International Horse Show at Olympia in December.

Collett said: "It's an honour and a privilege to have been involved with him and had him in the yard."

"It's just horrendous. He was out in the field, the same field he was out in every day."

"We don't really know what happened, but he injured his neck and pelvis."

"With his best interest at heart, a decision was made to put him to sleep."

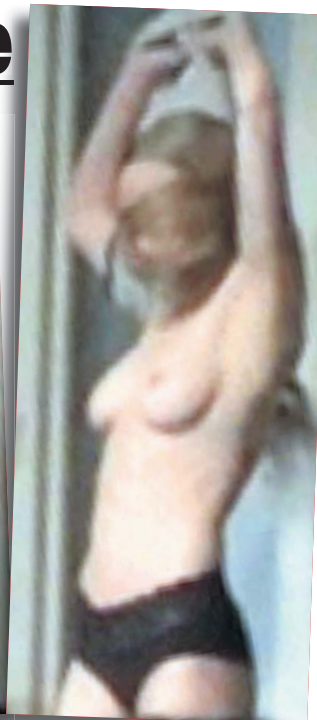

Owner Clive Smith said: "It is really devastating. He had a heart of a lion."

### SAUCY actress Amanda Seyfried has left fans shocked after FLASHING her boobs LIVE on stage!

The *Mean Girls* star, 29, whips 'em out in new off-Broadway play *The Way We Get By*, by Neil LaBute.

Amanda plays Beth, who has a one-night stand with Doug after they meet at a friend's wedding reception.

#### Gratuitous

And in one unforgettable scene – described as "gratuitous" by *The Guardian* newspaper – she gives the audience a cheeky glimpse of her 32D whoppers!

Amanda confessed: "I didn't really feel anxious about the nudity. I have a very European sensibility to all that."

"It's a little shocking to some people, but most of the play is shocking."

"That isn't really something I think about anymore."

The pretty actress, from Pennsylvania,

## Jane's boob milk squirt telly shame

SEX symbol Jane Seymour has told of the time that she accidentally SQUIRTED a co-star with her BOOB MILK!

The embarrassing gaffe came during a nude audition for 1983 telly series *The Thorn Birds* – a role she didn't get.

The *Dr Quinn, Medicine Woman* beauty, 64, said: "The big part that got away was *The Thorn Birds*."

"I'd recently had my first baby and twins and I was told I should stop feeding so that I could appear more flat-chested for the role."

"Unfortunately, just as I screen tested, some milk accidentally came out – all over Richard Chamberlain's chest!"

Jane has also issued a come-and-get-me plea to the makers of *Downton Abbey*.

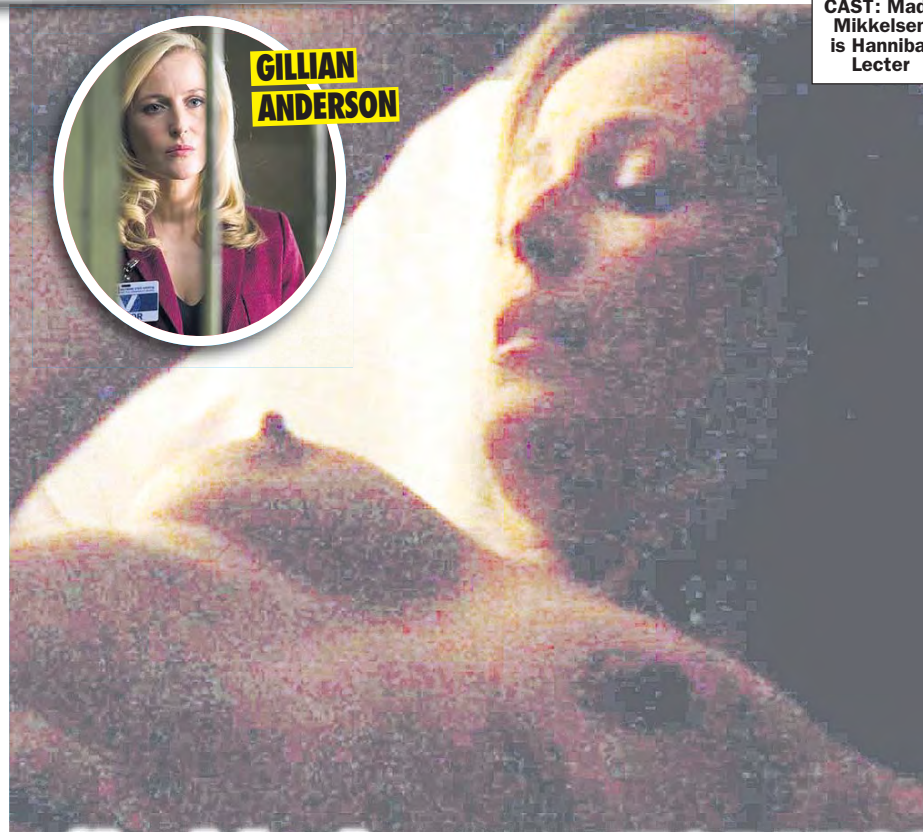

The MILF admitted she'd love to appear in the Sunday night ITV drama, saying it's one of her favourite telly shows.

## Telly horror Hannibal babes go TOPLESS

By **WENDY THOMAS**  
news@sundaysport.co.uk

### FINALLY there's a TV show we can really get our TEETH into!

Psychological thriller *Hannibal* returns to our screens Wednesday night at 10pm on Sky Atlantic.

The gorefest follows cannibalistic serial killer Dr Hannibal Lecter (Mads Mikkelsen), who develops an obsession with FBI profiler Will Graham (Hugh Dancy).

Dr Lecter frames Graham for several murders, and an institutionalised Graham must prove his innocence from behind bars.

It's gripping stuff – but that's not the *only* reason we're watching...

*Hannibal* is packed full of bra-busting TOPLESS stunnas!

### Perky

Caroline Dhavernas, 37, plays psychology professor Dr Alana Bloom, who is also one of Hannibal's former students.

And she stripped NAKED in arty flick *The Tulse Luper Suitcases: The Moab Story* back in 2003.

The *X-Files* star Gillian Anderson, 46, plays shrink Bedelia du Maurier – and she flashed her perky norks in 2007 thriller *Closure*.

Katharine Isabelle, 33, who plays troubled patient Margot Verger, bared her slippery nips in 2003 horror flick *Freddy vs. Jason*.

And finally, *True Blood*'s Rutina Wesley, 36 – who stars as blind Reba McClane – whipped 'em out in the Fox vampire drama back in 2009.

**McFly return  
is busted  
by Zemeckis**

THERE will NEVER be a remake of *Back To The Future*, according to the trilogy's creator, Robert Zemeckis.

The director says he's refusing to hand over the rights to Hollywood studios – and wants his family to follow suit even after he dies.

Speaking about the much-loved flicks, which first hit cinemas in 1985 and starred Michael J Fox as Marty McFly, the 63-year-old said: "Oh, God no. No remakes."

"That can't happen until both my co-writer Bob Gale and I are dead. Then I'm sure they will do it, unless there's a way our estates can stop it."

"I mean, to me, that's outrageous. Especially since it's a good movie."

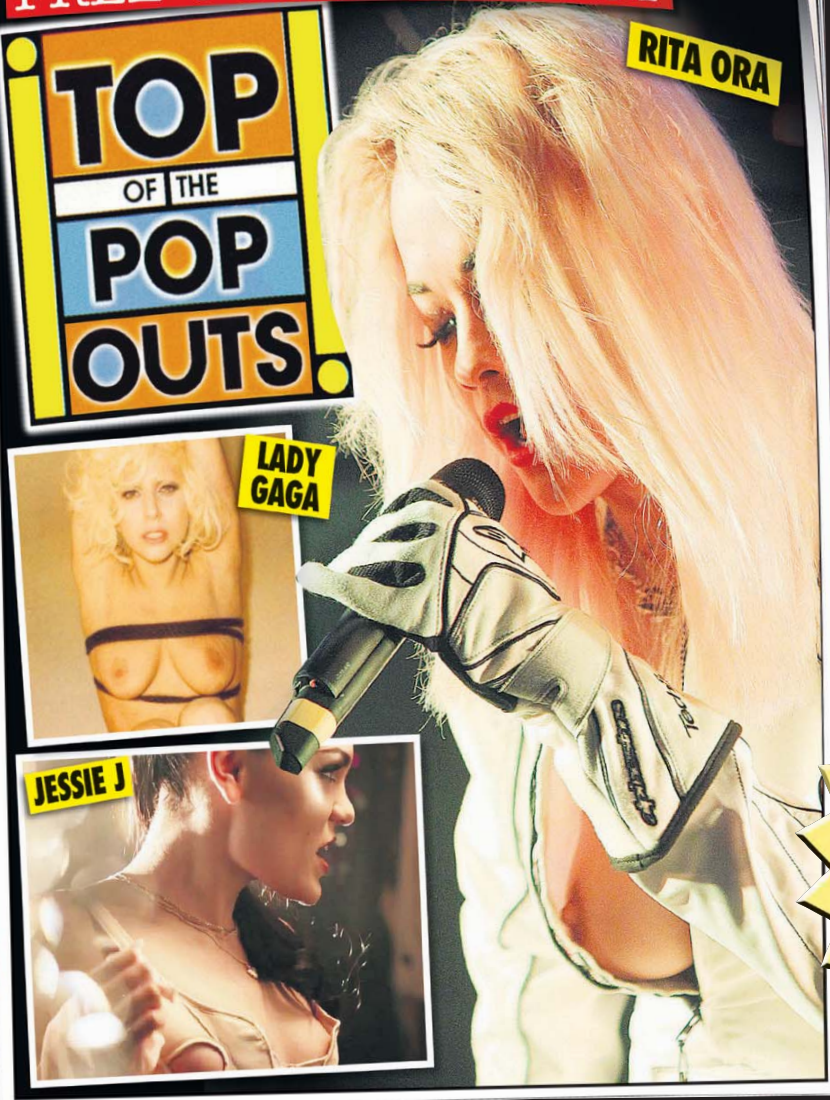

"It's like saying, 'Let's remake *Citizen Kane*! Who are we going to get to play Kane?'"

"Why would anyone do that?"

The original contracts Zemeckis and Gale had with Universal and Amblin Entertainment in 1984 give the pair final say on the production of any *Back To The Future* films while they're alive.

## SHE'S BRITAIN'S ONLY TOPLESS COLUMNIST

● IN an attempt to boost ratings, *Big Brother* bosses have brought back glam model Aisleyne Horgan-Wallace.

She rose to fame on the reality show years ago, and since returning to the *BB* house this week it looks like she's up to her old tricks.

It's only been a few days and she's already snogged half the house.

I think it's just GROSS!

That woman needs to act her age. She's 36, for crying out loud.

She must think she's still 21 or something.

It's like watching you MUM trying to cop off with your mates! Seriously, the rest of them are about 10 years younger than her.

She's mutton dressed as lamb, as the old saying goes. It's pathetic. Sort yourself out, girl.

Her behaviour is getting really desperate – she's a has-been.

Harsh, but true!

● HOORAY! It looks like hatchet-faced hate-machine Katie Hopkins has finally got her comeuppance!

The former *Apprentice* contestant was HACKED on Twitter last week.

All of her disgusting remarks were deleted – and the cheeky hackers joked that they found her DIY sex tape!

I doubt Katie actually made an X-rated flick, but it was funny reading people's responses.

Let's just say NOBODY wants to see that vile woman naked!

One person tweeted: "My eyes, my poor eyes!"

She spends her whole life targeting other folk. Now she's the target.

There's nothing more satisfying than seeing the bully get bullied.

That's karma!

● WAYNE Rooney's favourite hooker is back in the headlines again. F\*\*king hell. That's right, Helen Wood is back to her

attention-seeking antics after also returning to the *Big Brother* house.

Last week, she launched a horrible attack on fellow former winner Brian Belo, claiming he looked like a "murderer slash rapist".

What a disgusting thing to say. But she is a disgusting woman.

I understand that people need to stand up for themselves on TV, but that's just vulgar.

● LAST weekend was a lot more fun than expected! I was able to get last minute tickets to Wireless Festival in London on Sunday.

And I had a great time there!

The headline act, rapper Drake, was brilliant – and there was a good mix of styles.

It was the first time I've been to a music festival since V a few years ago.

Basically, it was a good day out with my friends. I got drunk, danced and had a laugh.

But there was one thing I didn't expect... I got PISSED on!

I was dancing along and suddenly felt this warm SPLAT on the back of my neck.

Some cheeky sod had thrown an open bottle of pee across the crowd – and it bloody hit me!

When I got home, I took off all my clothes and had to disinfect them.

Sorry boys, but I'm not into watersports!

# I've no Ender respect for Dean!

LEGEND: Me with Dean in the 90s

I WAS pleased to see my old friend Dean Gaffney is returning to *EastEnders*.

Beeb bosses claimed his character Robbie Jackson – who left Albert Square in 2003 – had been "overlooked" for too long.

And I completely agree!

Dean is one of the nicest people you'll ever meet – I'm really happy for him.

He's not got a stick up his arse like many celebrities. He's lovely – and he definitely likes the girls!

Unfortunately, when *The Sun* newspaper wrote an article

about Dean recently, they chose to launch a personal attack on me!

Basically, I was good mates with Dean back in the 1990s. We're both the same age and rose to fame in our late teens.

We would go out to nightclubs and get papped together – just like Cara Delevingne and her model pals do today.

It was trendy for soap stars and glamour models to hang out, so we decided to play up to the cameras at the time.

But the truth is, we were never together – just good friends.

Unfortunately, *The Sun* has described our so-called 'relationship' as a "low point"

in the then-teenage Dean's telly career.

Erm, excuse me?!

How dare they print bollocks like that!

Firstly, they have no right to judge Dean – or anybody else, for that matter – for getting drunk as a teenager.

Seriously, who bloody cares?

It's pathetic.

But I won't let them upset me. At the end of the day, I'm pleased for Dean.

He worked bloody hard on *EastEnders* and he's a great father to his two daughters.

Sure, he's always liked glamour models – but what's wrong with that? Nothing!

# Shock horror – men lie about sexploits!

By NEIL GOODWIN  
neil@sundaysport.co.uk

**MEN who don't feel manly enough are prone to LYING about the number of women they've BONKED, according to new research.**

Boffins have long suspected that insecure blokes tell fibs about their sexual prowess in order to make themselves look more impressive.

And now they've proved it's true by subjecting a group of males to a special test.

Eggheads at the University of Washington, USA, took 100 men and measured the strength of their grip.

They were not told the results, but were instead informed if they were either "average" or "below average".

## Rugged

Those fellas who were told they were a bit limp-wristed often exaggerated the amount of ladies they'd shagged, as well as over-stating their height.

They also claimed they were more "aggressive" and "athletic" compared with the lads who were told they had an "average" strength grip.

Meanwhile, chaps who struggled with the grip test also chose a more manly car as their "favourite" – opting for a rugged 4x4 over a family hatchback when give the choice.

Researcher Sapna Cheryan, an associate psychology professor, said: "We know that being seen as masculine is important for a lot of men."

"We discovered the things that men were using to assert their masculinity were the very things that they tend to use as signals of identity."

Stunning brunette Jaime Kelly, 21, says telling porkies about your pork swordmanship won't always impress.

She laughed: "If a bloke lied to me on a date, telling me he'd slept with 200 women when he'd only really slept with seven, I wouldn't be falling into his arms – I'd be running a mile, thinking he was a complete slag!"

"Men should just tell the truth. I find a confident and content guy is an attractive guy."

# BIG FOOT... TINY COCK!

IS IT IN YETI?  
Expert claims  
beast is not  
well-hung

## Yank yeti has small willy, says ape expert

By NEIL GOODWIN  
neil@sundaysport.co.uk

**NO wonder BIGFOOT is so secretive – he's got a really small COCK, that's according to researchers.**

The mythical man-ape is thought to haunt the vast forests of North America, with reports dating back centuries.

But the gorilla-like beast – aka 'Sasquatch' – has always proved camera-shy while sneaking-up on unsuspecting hikers.

And now one boffin has offered a reason for the creature's timid nature... it's his DINKY todger.

Primatologist Natalia Reagan (left) has written an article about 'Bigfoot' Field Research'.

In it the expert, from Los Angeles, US, says: "If you want to know about Bigfoot's wang, you really should understand the wangs of other primates that you think Bigfoot is like."

"If you think Bigfoot is a large-bodied primate, like a gorilla or an orangutan – and a lot of Squatchers think Bigfoot is a descendant of gigantopithecus – gorillas and orangutans actually have quite a small manhood."

Reagan reckons that, at best, Bigfoot will have a schlong that measures just 2.5 inches.

## Spencer's Mile-High conquest – with Virgin!

**MADE in Chelsea** hunk Spencer Matthews has confessed: "I'm in the Mile-High Club!"

The 27-year-old has boasted of shagging "over a thousand women".

And now the reality star has admitted to BONKING on board a Virgin plane!

Speaking about the wildest places he's had sex, the former City trader said: "Anywhere in public is quite full on, isn't it?"

"I'm very lucky to have spent a lot of time in St Barts, so on the beach is always nice."

"I've had sex on a plane before, I think it was a Virgin flight. Virgin? As if!"

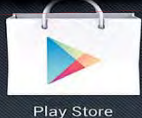

Spencer is dating co-star Lauren Hutton, 27, and claims he's given up one-night stands.

He added: "This is the most serious relationship I've had."

# Girl on top with you both facing the cinema screen is a good position

**MY SEX FANTASY WITH SAMMI TYE**

**SAUCY Sammi Tye deserves her own star on the Hollywood Walk of Fame – because she just loves putting on an X-rated performance at the cinema!**

The 32E babe, from Reading, Berks, loves a steamy bonkbuster – especially when she's starring in one!

Single Sam revealed it's the thrill of getting caught shagging on the back row that turns her on the most.

The 27-year-old glamour girl said: "I love a good old-fashioned make-out session at the pictures.

"I love going with a new date and seeing his face when I start touching him up and making him hard while we're in public.

"I love to tease and enjoy seeing him try not to moan and groan!

"And it's the same vice versa of course.

"I love it when a guy slips his hands up my skirt and pleasures me and I have to try to stay quiet.

"It's dark in there, so people can't really see – if you're discreet.

"How far I go does depend on how busy the cinema is.

"If it's a packed screen, then we'll just have a cheeky grope.

"But if it's almost empty, things can go further – a hand job or oral... I've even got carried away once and had FULL SEX.

**By CLAUDIA TANNER**

[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

"Girl on top with you both facing the cinema screen is the best position...and wearing a dress or skirt for easy access is a must, too.

"You've got to be ready to look dressed and innocent very quickly, if anyone comes round!

"I was caught out once giving a guy a blowjob at the cinema!

"We got kicked out but thankfully they didn't take action.

"It's worth the risk though... life's too short for boring sex!

"I never really know what's going on in a film most of the time though – I guess that's the only downside of cinema shagging!"

## Busted over bust-up bonk with busty ex

Dear Charlotte,

**MY girlfriend goes mental when she catches me eyeing up other girls in the street.**

She is a real jealous type and hates the idea of me even looking at another girl, let alone speaking to one!

The last time she kicked off at me, I went to a boozer on the edge of town, to make sure she wouldn't be able to come and find me.

And while I was having a beer in there an old girlfriend came in to meet her mates.

I hadn't seen her for years – and we got chatting nicely while she waited for her pals to arrive. She gave me her number and told me to call her anytime.

So I left her when her pals arrived and said I'd defo be in

touch – she looked really fit and I reckon she'd had a boob job since we'd been dating.

After patching things up with my missus again, it wasn't long until we had another almighty row about her insane jealousy – and she packed some things and ran off to her mum's.

And out of spite I decided to call and arrange to meet my old girlfriend, and forget about my current missus for a while.

### Panties

We met back at the same pub where I bumped into her recently, and after a couple of drinks it was pretty obvious we were both gagging for it and into each other.

So we got a cab back to mine – knowing my bird was still at her mum's – and almost as soon as we got through the door she pulled off her top and wriggled out of her panties before making

a grab for my trousers.

I wasted no time at all and dived between her thighs to push my tongue deep into her neatly-trimmed and moist quim.

She then took my cock into her mouth – right up to the hilt.

When I could stand it no longer I bent her over the arm of the settee and took her doggy-style.

Over the next few hours we humped every which way in a wild night of lust.

But when I dropped her off in town the next morning, my girl's sister saw us and has spilled the beans to my bird.

I want to win her back, but she won't talk to me. Help!

JS, Yorkshire

Charlotte says...

**YOU** you most definitely deserve to be dumped, you f\*\*king scumbag!

**Letter of the day**

Dear Charlotte,

I'M having a bit of a mid-life crisis – or so my wife keeps telling me.

I've just bought a Harley Davidson and a Maserati, and she thinks it's so I can pull the chicks.

I told her it was just that at our time of life – with no mortgage, no kids at home and a couple of endowment policies maturing – we should live the dream.

But while I was driving the other day I had my sunglasses on and a bird suddenly poked her head through the car window.

Then she snogged the face off me and said she'd like to suck my cock!

I couldn't believe it so, of course, I let her.

A couple of days later, another chick was giving me the eye as I waited at traffic lights and then I found a phone number under my wiper blade.

What's happening?

WD, South Yorks

Charlotte says...

**SOUNDS** like life is just beginning for you. Enjoy it!

## She knows how to work it

Dear Charlotte,

MY secretary at work recently asked if her husband could have a job at our firm. I said yes, but only if she gave me a blowjob.

I thought she'd tell me to sod off but instead she undid her blouse, knelt down in front of my chair and started stroking my cock.

I couldn't believe my luck. I've lusted after her for ages. She's 38, with dark hair and a lovely body. It was a massive turn-on watching her take my knob in her mouth, and even better when she brought me off between her lovely boobs.

The next day I told her that her husband could have a job if she let me shag her. Again she agreed and I bent her over my desk and pumped her.

Since then I've been shagging her almost every night, as I've put her husband on the night shift.

The only problem is that last week she told me that she wants to leave her husband and move in with me. But I just want to f\*\*k her. Help!

HG, Essex

Charlotte says...

**TELL** her you just want sex, not a relationship.

**BUY WITH CONFIDENCE FROM THE LARGEST WHOLESALE OF ADULT GOODS IN THE UK**

Dear Charlotte,

I WORK as a joiner for a construction company in London and I have an apprentice with me.

He's shown himself to be a willing lad and on a job last week I asked him to get a drill from the van.

I waited for what seemed like ages and, when he didn't reappear, I went in search of him.

When I got to the van, I heard grunts and groans coming from inside.

I opened the door to find him naked, drilling a blonde with big tits.

I was outraged at first, but then she beckoned me inside the van.

She took out my cock and sucked me off while being done from behind by my teenage apprentice.

Then the doors opened and there stood the foreman.

Now we are facing a disciplinary hearing. What do you think are our chances of getting away with it?

NC, Essex

Charlotte says...

**SLIM.** You really should have asked the foreman to join in.

Dear Charlotte,

I GET tremendous erections. So what's the problem, I hear you ask?

But now, to my horror, in the last week they have been starting when I wake up and lasting all day – only to crash to earth when my bird comes round ready for a shafting.

So, the long and the short of it is my cock is ready for action all the time, except when I need it most.

It's really getting me down. Have you ever come across this condition and do you have any advice?

KM, Kent

Charlotte says...

**GET** your bird to stay overnight to enjoy your morning glory.

## SYDNEY JAMES

NOTHING brightens Peter Wickham's day faster than Brighton babe Sydney James, 25.

Because whenever the Norwich security guard starts his night shift, he always stocks up on pictures of the bra-bustin' 32F beauty!

Michael, 22, said: "I'm a bit of a night owl because of my job, and it can get lonely sometimes."

"Fortunately, I've got a whole folder of Sydney's knockers on my phone – they're bloody glorious!"

## JASMINE JAE

**BRICKLAYER** John Dingley, 37, claims Jasmine Jae is the "most FILTHY girl in glamour!"

And the randy Welshman reckons he can't get enough of the 31-year-old nympho's X-rated grumble flicks.

He told us: "I've always been a fan of Jasmine's adult work so I was delighted to see her in the *Sport* earlier this year."

"I know it's only been a couple of weeks, but could you print another topless picture?"

Jasmine, a whoppin' 32E from Birmingham, has been in hardcore films including *She's Gonna Squirt* and *Down on Abbey: Tales from Bottomley Manor*.

## STEPH MARTIN

**BOLTON** accountant Neil Longville, 56, reckons Steph Martin deserves a spot in this week's *Show Me The Honey*.

Neil, from Churchgate, hopes Steph, 25, will one day return to modelling.

The Berkshire beauty first appeared in the *Sport* back in October 2010, but retired a few years ago.

Neil told us: "It's always a shame when a gorgeous model like Steph decides to swap career."

"I wish her all the best in whatever she's doing."

"Still... it would be nice to see her old pictures once in a while!"

**WELL**, if those statistics are correct, then I guess I must be a very lucky girl because I have sex pretty much every day if possible! I have a really high sex drive, so I can be pretty demanding. Fortunately my boyfriend is similar so he can keep me fully satisfied. Honestly, I don't think I could handle only doing it once a week – I think I'd probably end up going stir crazy!

## And one in five bonk less than once a MONTH!

**FEWER than half of Brits are BONKING at least once a week, a new survey reveals.**

Overall, just 44 per cent of people claim they enjoy regular sex sessions – and just 14 per cent are shagging three or more times a week, according to a new online study.

More than 12,000 men and women were asked about the frequency of their sexual activity. And the majority of Brits admit they're LUCKY if they get frisky once a week!

Meanwhile, one in five participants are having sex LESS than once a month.

The survey also found that people aged between 25 and 34 are the most sexually active in the country.

Sexologist Emily Powers said: "It's really important people don't begin to feel bad or inadequate that they're not matching these statistics. It really comes down to whether or not

you're happy. Are you having the kind and amount of sex that you want to have each week or each year?"

"If you are – that's your answer." We asked *Midweek Sport* stunnas Kelly Gilhooley, Emma Mae Mitchell and Mary Denny how they all measured up...

**Mary Denny**  
says...

A COUPLE of times a week sounds about right to me.  
If you're in a long-term relationship, you're not going to be having sex every day, are you?  
After a busy day at work, sometimes the last thing I want to do is tear my partner's clothes off!  
Most of the time I just want to get into my pyjamas and watch Netflix.  
I know that sounds a bit boring, but most of my friends would agree!

**Kelly Gilhooley** says...

OH, dear! I feel sorry for the people who are having sex less than once a month. I know how it feels!  
Last year, I went through a major 'dry spell'. I had just got dumped and was left heartbroken so my confidence was really low.  
Believe it or not, I didn't have sex for almost SEVEN months!  
Meanwhile, my ex-boyfriend had run off with my so-called best mate. What a bastard!

**BONJOUR, boys! Charlie Rose says she loves dressing up as a FRENCH MAID!**

The 21-year-old model, from Essex, reckons that kinky roleplay is a great way to "spice things up".

Charlie, who boasts all-natural 34D curves, revealed: "I've got a few sexy outfits including a French maid, a naughty nurse – and even a PVC catsuit!"

"My favourite is definitely the maid outfit. It's a really short, frilly dress with sexy stockings that show off my bum cheeks!"

"It also came with a feather duster, which is perfect for a bit of saucy tickling!"

## EDITOR'S PICK OF THE DAY

**All Girl College** is a generous slice of classic Britlesbo with the added delight of school uniforms. Porn legend Michelle Thorn leads a brilliant all-British cast of Carly Rae, Alyssa Divine, Chantelle White, Samantha Bentley, Scarlett March, Kimmy Cumlotts, Phoebe Adams, Victoria Summers and Kiki Minaj. We love movies set in schools where the cast squeeze into ill-fitting 70s-style uniforms then take them off for out viewing pleasure. If only our own school days had included grown women like this. We can but dream.

**Italy's Finest Shemales** Sweeter Than Canoli. Harder Than Pepperoni! From deep in the vaults of award-winning Director Ed Hunter come six of the hottest transsexuals Italy has to offer. This is the best TV DVD on the market...guaranteed to get your winkle as stiff as theirs!

OUR SPORTS BETTING GURU WILL PUT YOU ON A WINNER!

VALUE: Jodie Taylor is 15/2 to score the first goal

**PUT the sleeping pills away and lay off the hard stuff because you need to stay up late to catch tonight's pick of the pops — it doesn't start until midnight.**

You're going to need the stamina of Red Rum as England's brilliant Lionesses face Japan's erm, not sure what their nickname is. Pray to God for their self-esteem it isn't Sumos.

Their records in getting this far in this tournament are nearly identical.

We lost to France then went on a winning spree of four, beating Mexico, Columbia, Norway and Canada.

Japan's record is one better. Switzerland, Cameroon, Ecuador, Netherlands, Australia. All beaten.

The interesting thing about every one of their 10 games so far is that they have all been settled by only one goal.

Every one of England's triumphs were by a 2-1 margin and so were two of Japan's

## Striker can fire England to final

with the other three by the only goal.

You can look at tonight's game in two ways; either as all their games are cagey you could go and have a 1-0 win either side.

Or the bet that appeals most is more than two goals being scored in the game.

In even big matches, you usually look it up on TInternet expecting to see 11/8.

No, the best price for yet another 2-1 win, in either direction, is 13/8 with Coral and Skybet.

If you like the idea of those 1-0 affairs, Japan are a shade over 11/2 with 888sport while England are 17/2 with the same company, plus BetVictor and Unibet. That sort of edge

is reflected in the match odds with Japan slightly more than evens (15/13) with bwin who win the ribbons for most generous favourite layer.

England are a tempting 3/1 with BetVictor.

The England girls have been playing so well, and defending when they have put under the cosh, (don't take that wrong feminists — mean it metaphorically, we haven't been at the

Stella again) I don't believe they are roughly three times worse than Japan.

The fence-sitters can get a shade above 9/4 for the draw.

Interest in the women's game has shot through the roof. And rightly so.

Despite the fact it was 12.30am British time when

our girls kicked off against Canada amid a partisan crowd in Vancouver they attracted 1.6m TV viewers.

To put that into context it compares to 600,000 fewer who tuned into this year's Derby at Epsom.

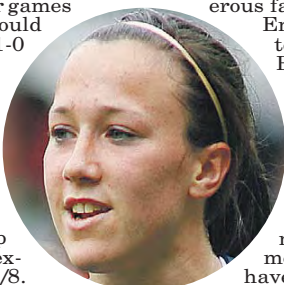

Against the Canadians, England had two first-half heroines, Jodie Taylor who whacked in a fantastic strike and Lucy Bronze (pictured left) who struck gold with a lovely, looping header.

The Lionesses' defenders protected their pride magnificently after the break and now, here we are.

Lucy doesn't hit the net often but if you believe in the fillies in form adage she is 60/1 to get in first with 888sport.

Taylor fires the bullets normally and 15/2 is fair for her to be first goalscorer.

**BETS: England (3/1); Over 2 goals (13/8); Jodie Taylor first goal (15/2).**

DONS BOSS: McInnes

## DONS CAN DRAW AGAINST 79 MINNOWS

TAKE a guess time, guys and gals.

When does the Great British football season start? Asked yesterday for a date, I said 'first week in August'.

The older guys at the bar added seven days on, as it used to be, while the teenagers who may be a perhaps a bit more savvy in considering there was neither a World Cup nor a European Championships this summer they opted for the setting-sun days of July.

NOPE! None of us believed it.

But it's tomorrow. As EMF once sang "Unbelievable. What the f\*\*\*?"

Though what it has to do with the European Monetary Fund with such a rude-intentioned song is anyone's guess. Oh yes, July 2nd. With the first qualifying round of the Europa League featuring the

travelling Dons of Aberdeen against FK Shkendija 79. And West Ham are taking on the Andorran giants of Lusitanos, a side only formed 16 years ago in Andorra.

If you have £14million in your arse pocket and you want to make it £15m then back the Hammers, them's the odds. The Andorran lads are 66/1. Give the game a miss.

Surprisingly, given the obsession TV has with football, I can't find either match on the telly anywhere which has to be a first. Especially given the novelty of the date. Must be on the internet, somewhere.

But the Dons game is still worth a bet. Sneaky quid on a draw for us. But definitely minimum stake.

**BET: Have your small change on an Aberdeen draw at just over 5/1.**

## Hoover ready to clean up

THE pick of the Midweek action comes from Hove and Monmore on Thursday live on RPGTV, Sky channel 212.

It's been a very happy hunting ground at both these tracks in the past and I've got us a few nice punts.

Hooverville goes in a Sprint Maiden contest at Hove and although he is no sprinter and highly proven in Ireland over 550 yards he should be just too classy for these rivals.

You don't clock sub 30.00 at Shelbourne Park without being a serious greyhound and although fancied to win on Thursday this greyhound is worth following especially when stepped up in trip.

The Next-Best also comes at Hove in the shape of Domino Storm. She was so impressive on Derby final night at Wimbledon actually clocking one spot quicker than Rio Quattro who won the £250,000 to-the-winner Derby.

She seems to be seeing out these four-bend trips so well and combined with her ferocious early she is formidable opposition at any level.

Calco Flyer is another greyhound who was impressive on Derby final night and he is taken to impress again now at Hove. I'm a big fan of this British Bred greyhound and he's a dog I keep a close eye on.

I think there is the potential for him to win a big competition, who knows maybe even the Sussex Cup over this course and distance next month.

Moss Lane Sue will relish the step up to 684m and is taken to score at Monmore.

She is a class act when at her best and can prove she is still the top girl at Monmore in the stayers division.

NAP - T1 Hooverville 19.31 (Hove)

NB - T2 Domino Storm 21.40 (Hove)

TREBLE - T1 Calco Flyer 22.26 (Hove)

YANKEE - T6 Moss Lane Sue (Monmore)

# Hills are alive at Thirsk

THERE is a touch of Southern comfort awaiting on the dales of North Yorkshire today.

Charlie Hills sends two up to Thirsk from Berkshire today and both hold fine claims.

Chas is doing a good job continuing the family business of dad Barry and while today's runners will not reach the highest heights, both can score.

The best race on the card is a Class 3 handicap at 4.30 and Hills saddles GREEB.

This four-year-old gelding was runner-up in an almost identical race at Nottingham nearly three weeks ago and, excellent though he is, today's pilot Paul Hanagan must shoulder the blame for the half-length defeat.

He went to the front too soon. He was travelling best of all a quarter of a mile from home and seconds later Hanagan pressed the button. But a furlong later he thought had done enough, had to be driven and was collared in the last 100 yards.

Hanagan will have learned his lesson and will hang on a bit longer before making his move today.

Experience counts for a lot in fillies' maidenzs and in the 5.00 Hills' CALIMA BREEZE is twice raced and both were pleasing.

First-time out at Newbury last October she was hampered at the start, green as the grass, but ran on nicely into fifth of 12.

She needed her reappearance earlier this month on Lingfield's turf but led inside the final furlong before being turned over by classy 2/7 shot Hathal who ran at Royal Ascot.

She was 25/1 on both of those starts but she is unlikely to be anything like those odds today.

## Andy not at best but gets job done

By ANDY MILLOM

**BRITAIN'S Andy Murray was made to fight like hell for his first round Wimbledon win over Mikhail Kukushkin, who is a Russian playing under the Ali G flag of Kazakhstan.**

The records will say it was a straight sets coast, but it was never as easy as that.

In the first set Kukushkin displayed a fierce tenacity, the games going fairly comfortably with serve until the 10th game when the Russian put himself under unnecessary pressure with unforced errors and finally spooned a forehand over the baseline to give the Scot the opener.

In the second set Kukushkin held his nerve splendidly and really should have won.

He was 30-0 in a game which would have brought him level but he simply crumbled.

A couple of unforced errors and before you know it Murray was back at 30-30.

It went to a tie-break and Dunblane's finest has way too much experience and there was only one way the set was going to go.

In the clincher, Kukushkin fought bravely but, with a home crowd behind him, Murray just had too much to offer.

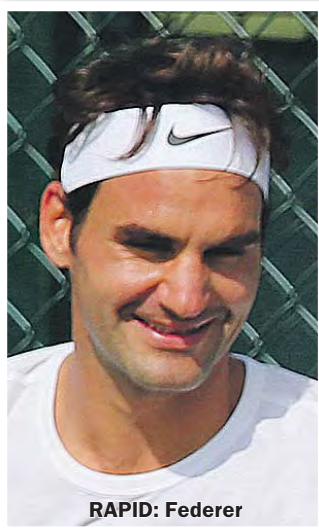

The match breaker was the fifth game of the final set when Murray broke Kukushkin to make it 3-2.

He held serve for 4-2 with a deuce of aces, then Kukushkin showed steel to win the seventh fairly comfortably.

A superb backhand on the stretch earned Murray 5-3. Kukushkin, to his credit, offered some beautiful shots, serving to make it 5-4.

Murray made hard graft of the final game but came back from 15-40 to land it.

TV commentator John McEnroe issued a warning, however. He

RAPID: Federer

said: "Murray needs to up his game. He was tantalisingly close to letting this slip away."

The other two big names on court yesterday enjoyed comfortable journeys into the second round.

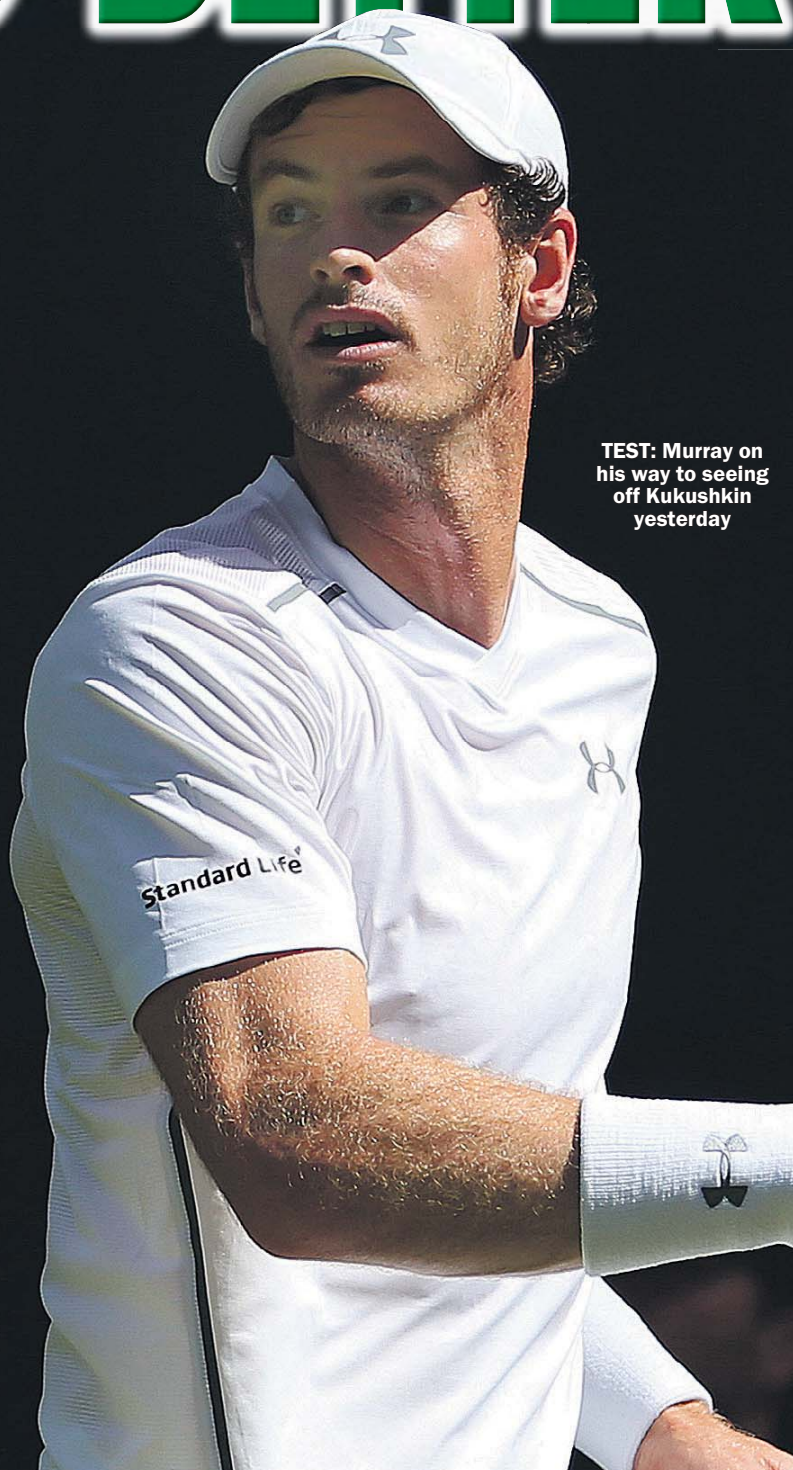

The 10th seed Rafa Nadal shed only 10 games in beating Tomasz Bellucci 6-4 6-2 6-4.

Nadal may not be the superstar he once was but he was never in any danger of suffering a shock defeat.

At the same time the Fed Express was trundling along nicely without having to stoke more coal on.

Second seed Roger Federer put away Damir Dzumhur 6-1, 6-3, 6-3. His mistakes were of his own making.

In the final game, for example, he drifted a couple of half-hearted volleys into the corner and was suitably dispatched by the admirable Federer who looks in fantastic form.

## Legend Kauto Star dies after fall

HORSE RACING

ONE of the all-time greats of chasing, Kauto Star, has died.

The 15-year-old won an amazing FIVE King George VI Chases at Kempton and was the first horse ever to regain the Cheltenham Gold Cup.

He was put down after suffering neck and pelvis injuries in a fall in his paddock.

He retired from a glittering career trained by Paul Nicholls in 2012.

He won 23 times and brought in more than £2million in prizemoney, a truly astonishing figure for a jumps horse.

He then showed his ability by becoming a top-class dressage horse.

Owner Clive Smith says Kauto suffered a knock last week that they thought he would recover from.

### Mild

But he took a turn for the worse over the weekend and couldn't be served.

He said: "It's all very, very sad."

"He was put out to grass, as in fact he always was, even at Paul Nicholls' yard. He was put out for weeks at a time there."

"On this occasion he was out in the lovely sunshine, I was away at the time."

"I saw him on Friday and by that time he'd had what appeared to be a mild injury, but things gradually changed."

"The vets report was brilliantly handled by Hattie Lawrence of the Valley Equine Hospital in Lambourn."

"Although he made an improvement and rallied, as he always did in races, on Monday morning it was very bad."

"I came back down from Scotland and the decision was taken with Hattie Lawrence to euthanise the horse."

## PETRA BLOWS AWAY BERTENS

By JOHN ANTHONY

PETRA Kvitova dropped just one point on her serve as she cruised into the second round.

Even that was from a double fault as the defending ladies' champion saw off Dutch player Kiki Bertens in just 36 minutes.

The Big Czech was in awesome form, winning 6-1, 6-0 against the world number 108.

Despite being so utterly dominant, Kvitova said she was a bag of nerves waiting to go on centre court.

She said: "Of course I was very nervous before the match. But stepping on the

court, with all the people clapping, the atmosphere was unbelievable. I'm really glad I played so well."

"I think it is better than in 2012 when I was defending my first Wimbledon title."

"But nerves are healthy as long as they are not too much."

It took Heather Watson a little longer to secure her place in the draw as she battled back to beat Caroline Garcia 1-6, 6-3, 8-6 in a gruelling two hours and 12 minutes.

She had looked dead and

buried when facing three match points. But Watson dug deep to save them and went on to land a brilliant victory.

She now takes on Daniela Hantuchova in the second round today.

Watson said: "I feel really fit and healthy."

"I just think I need to work on being more aggressive."

It was a different story for Laura Robson who went out in her comeback match from an injury lay-off.

She was on the sidelines suffering wrist and knee problems but took up a wild

card entry here after shaping up well at Eastbourne last week.

Despite a full house on court three roaring her on, she always looked off the pace against Russia's Evgeniya Rodina.

Robson should be happy with the way she played in her first Grand Slam game for 17 months.

And a 6-4, 6-4 defeat hints that she can get her career back on the right track.

She was as high as 27 in the world and made the last 16 here in 2013 and she's still only 21 so all is most definitely not lost.

WITH HIS SPORTING ODDS AND ENDS

GLORY: Kauto Star and Ruby Walsh on their way to another King George win

# Farewell to a king

**SAD news yesterday about the passing of Kauto Star one of the greatest chasers in the history of the sport.**

We will all have our memories of King Kauto. I have two that stand out; one hurt me more than the other.

Kauto Star's second Gold Cup triumph in 2009 when he thrashed his stablemate the 2008 winner Denman by no less than thirteen lengths was, arguably, his greatest ever performance.

Twenty-four different horses had tried but no horse had ever regained the Gold Cup crown before that famous day when he would surely have been a match for any chaser in the history of the sport; including Arkle himself.

A more chastening experience came earlier on in his career when he came down at the third fence in the Champion Chase of 2006 when I honestly thought he just had to be pointed in the right direction.

His career was more highs than lows of course but it taught me that you can take nothing for granted in jump racing: his lon-

## KAUTO WAS A TRUE GIANT

gevity and continued brilliance were a credit to all at Paul Nicholls' yard and we may never see his like again.

★ England Women are 31/10 outsiders at BetVictor against defending champions Japan (11/10) this evening in the World Cup semi-final after their win over hosts Canada at the weekend.

The Lionesses, ahead of last night's first semi-final between Germany and the USA, remain the 8/1 outsiders to lift the Trophy but they have won their last four games in the tournament 2-1 and they are 15/1 at BetVictor to maintain that sequence tonight.

Japan have won their last five all by a one goal margin and are more comfortable on the ball than Mark Sampson's side; the England side have spoken of their need to be con-

frontational in the run-up to the game and I think 0-0 after 90 minutes at 13/2 with BetVictor looks too big.

England are unbeaten in three games against Japan with one win and two draws; that win came in in the last World Cup four years ago although the Nadeshiko went on to win the title despite that 2-0 reverse.

England are 13/8 to qualify for the final and that must be the recommendation.

I was actually disappointed with the way the Lionesses played in the second half against a limited Canadian side but they got the job done. England right-back Lucy Bronze, who pinches about 15 yards at every throw-in, has scored in the last two games and is 25/1 to grab the opener in Edmonton and 11/1 to find

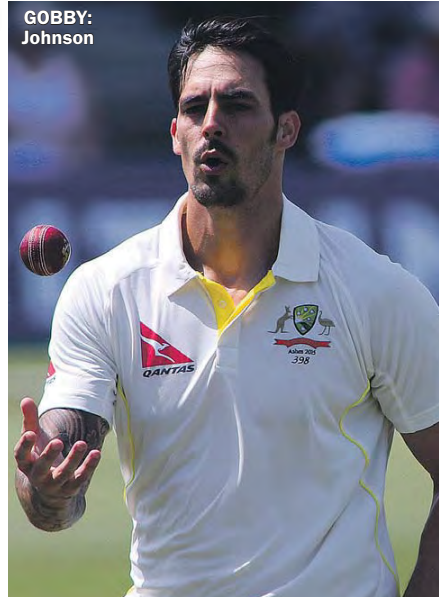

the back of the net at anytime.

Japan will have the ball for long periods but England will get players goalside and wait for their chance; it promises to be a tense, nervous affair but I think we can do it.

★ At Worcester this afternoon there is a terrific handicap hurdle with Aficionado likely to be a warm order after his latest second to Champion Court ten days ago. He wore blinkers for the first time on that occasion and that head-gear is replaced by cheek-pieces this afternoon.

He must go close but he has been second on his last three starts and FORT WORTH (3.50) might be the answer for Jonjo O'Neill returning from a three-month break. He has won fresh in the past and won on decent ground at Wetherby in October.

GOBBY: Johnson

## JOHNSON: CARRY ON SLEDGING

CRICKET: THE ASHES

MITCHELL Johnson has told England skipper Alastair Cook to dream on when it comes to stopping sledging.

The Aussie fast bowler has a mouth like a drunken docker and fully intends to give it plenty of lip when the Ashes starts next week.

And he reckons Jimmy Anderson is one of the worst offenders on the planet so Cook should look closer to home with his plea for politeness.

Johnson thinks it's rich that Ando has added his voice to the calls for cricket to become a gentleman's game again.

He said: "That is interesting coming from him because he is probably one of the biggest ones in the England team."

"I don't think anything is going to change. I think he is just trying to get it out there to make himself look better."

Johnson is also looking forward to renewing his rivalry with England all-rounder Ben Stokes.

The two had a mid-pitch barney during last year's Adelaide Test when they almost came to blows.

### Better

But the Aussie says that just proves that Stokes has the bollocks to stand up to the sledging.

He added: "We like someone who has got a bit of guts and determination, having a bit of fire in the game. That is what people want to see in Test cricket."

"Do I like it? Who likes getting sledged every day? It has just been part of the game and I have been targeted all over the world."

"Now, being able to experience all of that has made me a better player and a better person, that is where I think I have to be able to help the younger guys who have not been through that experience."

And Aussie bowling legend Glenn McGrath has been doing some gentle sledging of his own, about England appointing one of his own as their new coach.

He said: "I guess it's a negative thing for English coaches that there weren't too many thrown up at the top of the list for the job in their own country."

"When you see Australian coaches around the world coaching other teams it shows how great a job we have done."

## Hammers poised for an early kick-off

West Ham v Lusitanos

Europa League: Thurs, 7.45pm

WHILE most Premier League players are still on their holidays, the Hammers start their season tomorrow.

The early kick-off sees them take on Andorran superstars Lusitanos in Slaven Bilic's first game as West Ham boss.

The Croatian probably hoped he'd start his new era against Man United or Chelsea, but he'll have to settle for a less auspicious opening.

That said, being in Europe is a big bonus for West Ham and they will embrace the Europa League with more joy than most of their rivals.

It was only 39 days ago that Sam Allardyce was in charge of his final game for the claret and blues.

Lusitanos were formed just 16 years ago and to call them minnows would be an overstatement.

They lost 5-1 to a side from the Faroe Islands to go out of this competition last year so it should be a gentle start to the Bilic reign.

But Hammers winger Matt Jarvis isn't taking the Andorrans too lightly.

He said: "I don't think we would usually even have a friendly game lined up so quickly and even then you would only expect to play 45 minutes. But we will have to go out and play 90 minutes."

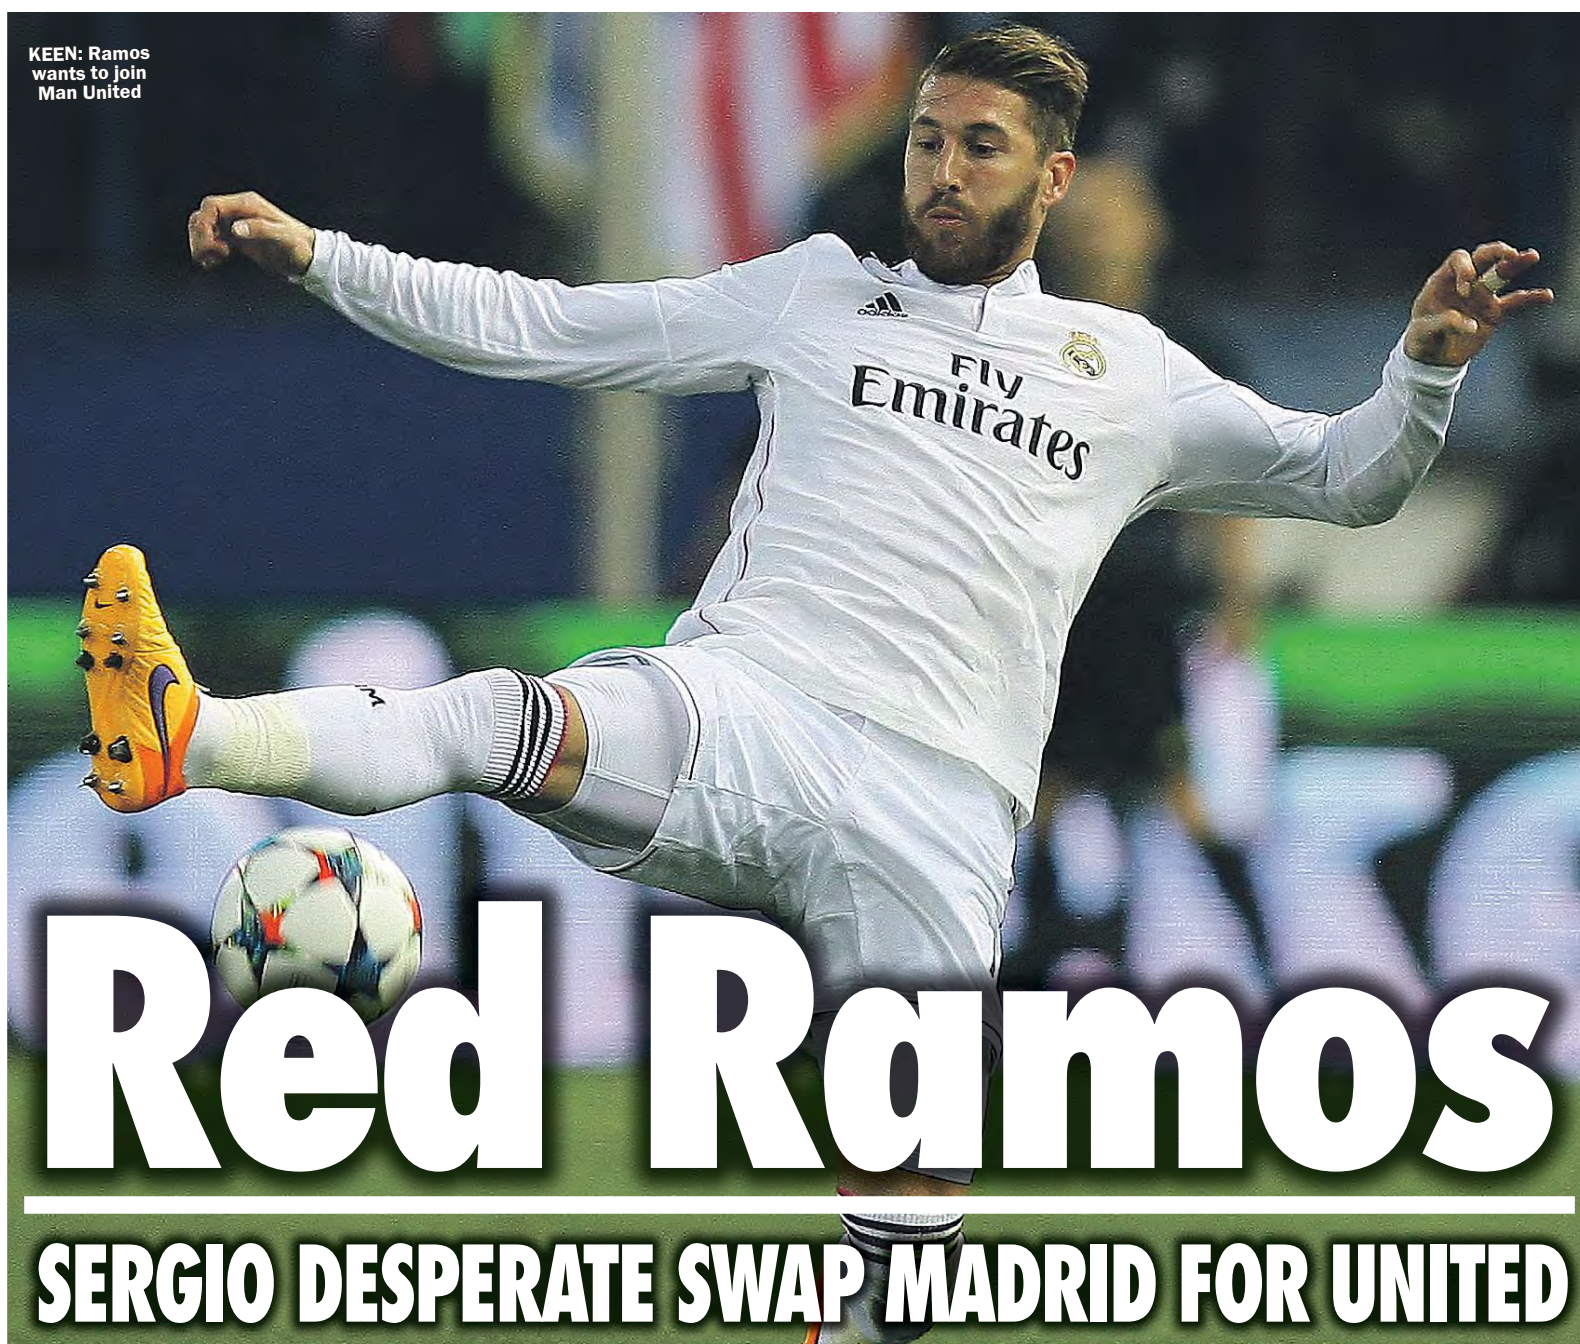

"This is such a big season. We are all aware of its significance – in the Europa League, the last season at Upton Park and then moving to the Olympic Stadium."

"So it's a big, big season ahead and when we do make that move it will be going into a fantastic stadium, something really special, and hopefully we will be going with a great team who've done well in the Premier League."

KEEN: Ramos wants to join Man United

# Red Ramos

## SERGIO DESPERATE SWAP MADRID FOR UNITED

**MAN United have been given a boost with the news Sergio Ramos is determined to join their ranks.**

The classy Spain defender is pissed off that Real Madrid have failed to offer him a contract so he Real-ly is offski.

United are set to be the lucky beneficiaries.

Ramos has told his Bernabeu bosses the only place he wants to call his next home is Old Trafford.

Luis Van Gaal's opening bid of £28million for the 29-year-old has been rejected but it won't take many more shillings to prize

By TREVOR CLEMENTS

the star from Madrid's hands.

Former Liverpool hero Jamie Carragher rates Ramos as "one of the best defenders in Europe".

Carra said: "In Ramos Man United will be signing a leader."

"There is still a feeling he's overrated in England which I disagree with."

"His trophy haul and playing for Real Madrid for so long shows his quality as the pressure to perform for club and country for so long is huge."

"At 29 he should be at his best and physically I think

he'll be fine in the Premier League, but he will have to be careful with the referees who I'm sure will be aware of his disciplinary record if he arrives!"

Meanwhile the Dutchman has been told he must fork out a fee of at least £21m to land Lyon striker Alexandre Lacazette.

United face competition from Paris Saint-Germain, Bayern Munich, Roma, Arsenal, and Chelsea for the 24-year-old's services.

The Reds transfer battles are mounting up. They face a fight with Arsenal for Sporting Lisbon midfielder William Carvalho.

And they are in a home-town showdown with City to

sign Brazilian right-back Fabinho.

The 21-year-old wants to swap Monaco for Manchester, weirdo, but the only question remains in which end of town he will land.

As Van Gaal seeks to strengthen the Devils' midfield, he realises he will be expected to pay top dollar for Bastian Schweinsteiger.

Like, Ramos, he has a World Cup winners' medal.

He has been with Bayern all his career and won his eighth league title in May. He also won the Champions League in 2013. But the fact he is under contract until the end of 2016 will make him expensive.

And Van Gaal has been

told his courtship of Southampton ace Morgan Schneiderlin is not being taken seriously down at St Mary's. At least not yet.

Saints boss Ronald Koeman said: "Until now, we have not a serious bid for Morgan from Man United."

"We will wait, but OK – that's business that normally starts from now."

"I am more concerned with my own teams affairs."

"For example Toby Alderweireld. The player likes to stay, we like to keep the player but it's a little difficult at the moment with Atletico Madrid waiting in the wings."

"I have a good hope he will stay for Southampton."

LOAN: Falcao

## FALCAO GETS BRIDGE LOAN

OLD Trafford flop Radamel Falcao will be a Chelsea player by the end of this week.

Again on loan.  
French moneybags outfit Monaco hold his contract but shipped him out to Manchester United where he was voted an instant miss.

The striker scored only four goals for the Reds but will cop a whopping £130,000 a week for the Blues.

It smacks of a gamble for a player who two of Europe's top clubs don't especially want but clearly new manager Jose Mourinho keeps faith.

The deal was held up while the

By JOHN ANTHONY

forward appeared for Colombia at the Copa America.

But they were knocked out by Argentina at the weekend and the Stamford Bridge pen is about to be put to paper.

The 29-year-old has already been told to meet his new Chelsea team-mates at their pre-season training camp in Montreal on July 19 – four days after the rest of the squad flies out.

Falcao, like the other players involved in summer internationals, will be given more time off before reporting for duty.

The Blues are dwelling on

whether to increase their offer for Stoke City goalkeeper Asmir Begovic.

It is still uncertain if Begovic will be crossing over to the Bridge after Stoke rejected a £6million offer.

Stoke are looking for £10m for the 28-year-old, who has been lined up as Emirates-bound Petr Cech's replacement.

But Chelsea are still facing a battle to convince Begovic that he would be satisfied as No2 to the sticks-meister Thibaut Courtois. They hope to convince him by pointing to the fact Cech made 16 appearances last term, including playing in the Capital

One Cup final. Aston Villa are also keen.

They have had an offer of £5m rejected and are considering increasing their bid.

Unlike Chelsea, they can promise first-team football.

Meanwhile, Vitesse Arnhem coach Peter Bosz claims Chelsea intend to sell academy product Josh McEachran.

The hugely-promising 22-year-old was tipped to become a first-team regular when he made his debut in 2010.

But he has spent more time on the road than on the pitch having been loaned out to five clubs in the past three years.

TOO DEAR: Dost

## Magpies to miss out on Bas Dost

NEWCASTLE United face a blow in chasing their main transfer targets this summer.

Bundesliga ace Bas Dost — certain to be christened Das Boot should the Geordies land the Holland star — is determined to stay put at Wolfsburg.

He is valued at the moment at £9million but Toon owner Mike Ashley, despite a more media-friendly attitude at the end of the 2014-15 campaign, isn't exactly known for splashing the Ash cash.

Wolfsburg sporting director Klaus Allofs said: "We spoke to his agent for the first time over the last week, and it has not turned out that Bas wants to leave. He feels very well in Wolfsburg."

And speaking on offers for the player so far, he added: "I read lump sum payments from 10m Euros (£7.1m) to 12m Euros (£8.5m) for Bas."

### Slip

"But then I refer to Roberto Firmino's example, and say they will have to get used to higher amounts if any club really wants to buy Dost."

United could also have had their hunt for Aymen Abdennour cut short after the Monaco defender's agent let it slip that his man would not be interested in the Magpies.

Abdennour's rep, Abdelkader Jilani, has listed the teams interested in the 25-year-old — without a word of St James' Park.

When Barcelona were mentioned, he said: "They are one of the interested parties, like Milan, Inter, Juventus and Liverpool."

# GOALIE CAN BRING TITLE BACK TO ARSENAL

# CECH MATE!

HE'S A KEEPER: Cech's a great buy for Arsenal says Seaman

## Seaman stoked by Petr signing

By MIKE MURRAY

**ARSENAL legend David Seaman says signing Petr Cech can win the Gunners their first title since 2004.**

It's a shocking stat that Arsene Wenger's side last came top of the pile 11 years ago and getting a decent goalie has been one of the club's biggest problems.

Barmy German Jens Lehmann was between the sticks that year when the side went unbeaten for the entire season.

It was hard to imagine then how long the Gunners faithful would have to wait for more glory.

Since that time a parade of mediocre stoppers has been in bangers for Arsenal. Lukas Fabianski, Manuel Almunia and Wojciech Szczesny, have all tried and failed to make the number one shirt their own.

But with Chelsea finally letting Cech move across London, Seaman believes Arsenal have the man to drive them back to the top.

He said: "Chelsea's loss could, and likely will, be Arsenal's gain."

"In my opinion this signing could genuinely be the difference between who will come first and who will come second next season."

Cech certainly knows what it takes to win the Premier League, having done it four times at Stamford Bridge.

He had to play second fiddle to possible the world's best keeper in Thibaut Courtois last season but, at 33, the Czech has plenty left to offer.

And he is desperate to prove himself after spending most of the past year on the bench.

Cech said: "I spoke to Arsene Wenger and it was a

big difference as I am hungry as ever and I have the same commitment and motivation to win trophies as I did 10 years ago or as a kid."

And while some Chelsea fans took to Twitter to give Cech stick for moving to a rival, most have been wishing him well after so many years of service.

And the goalie penned an open letter to the Stamford Bridge faithful.

He said: "I thought this would never happen but it is time for me to say goodbye to Chelsea Football Club."

"The club I have lived every single minute for since joining in July 2004, the club in which I thought I'd hang my gloves and boots one day and finish my career."

"But life doesn't always turn out the way you think it will."

"Last summer, things changed and I understood I was no longer the first choice keeper but I felt it was not the right time for me to go."

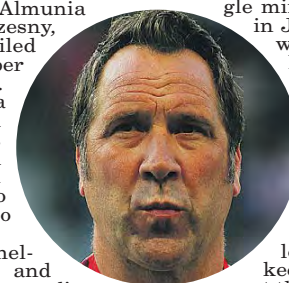

"During the season it became clear that my situation would not improve and as I know I am not at the stage of my career where I want to be on the bench, I made my decision to move on and look for new challenges."

I did everything for you and you gave me your love back. I'll never forget it. It will stay with me forever."

And Cech should get a warm welcome from the man whose place he is likely to take in the Arsenal side.

Szczesny says he's happy to have competition at the Emirates.

He said: "Petr Cech, welcome to Arsenal FC! Delighted to have a chance to learn from one of the best GKs in the world!"

## Cardiff gets Champs final

THE Champions League final is coming to Cardiff. The Welsh capital's Millennium Stadium will host the match in 2017.

And some of the biggest names in Welsh football are delighted at the news.

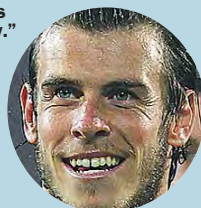

Gareth Bale (right) said: "I know how passionate Welsh football fans are so it's great the final is coming to my home city."

And Aaron Ramsey is gunning for Arsenal to be one of the teams walking out as his national stadium.

He said: "The Millennium is a fantastic stadium. It'll be a brilliant occasion. I'd love to be part of it."

The game will be held on Saturday, June 3.

FA of Wales president Trefor Lloyd Hughes said: "The FAW is grateful to UEFA for giving us the opportunity to stage one of the world's biggest sporting events. Welsh football is certainly on the up and we look forward to working to deliver."

# BENTEKE COLD ON HOTSPUR

By PETE BAILEY

CHRISTIAN Benteke has said maybe it's because I'm NOT a Londoner that his talents will not grace White Hart Lane next season.

Aston Villa and Tottenham are on the brink of agreeing a £32.5million transfer but the player himself is defiant.

"Count me out," is the message from Benteke's camp. The Belgian frontman is not keen on a move to Spurs even if they agree a switch with Villa.

The deal the clubs crave would see Emmanuel Adebayor go the other way. But the Belgium striker

remains unhappy with the way Spurs acted when they tried to buy him two years ago and his preference is for a move to Liverpool. Which is on the cards.

Benteke handed in a transfer request in 2013 because he thought Spurs were about to offer £25m.

No bid was ever made, putting Benteke up the proverbial without a paddle and he eventually signed a new contract at Villa Park.

For Benteke, that has made Spurs' interest as welcome as a fart in a lift.

It is believed Tottenham are shopping at Aldi this summer.

They will only consider at players with a maximum price of £15m.

And you don't get much for that these days.

What has put them off is the failure of the big-money buys Roberto Soladado and Erik Lamela, who cost a total of £56m in 2013.

Neither could hit a cow's arse with a banjo.

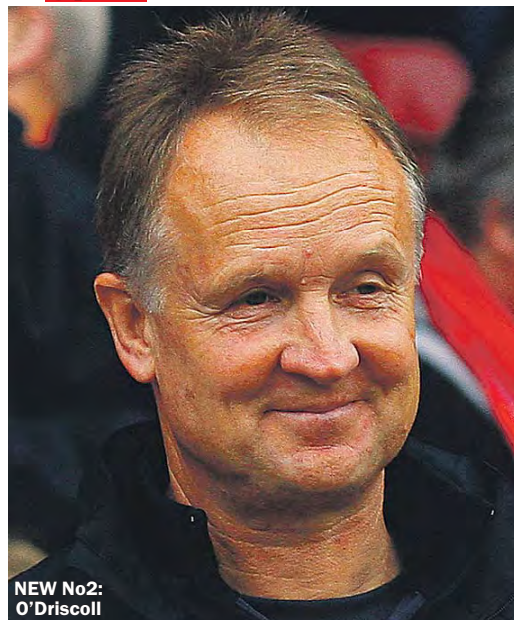

Lamela is definitely on his bike with Turin the likeliest destination where he will don the black and white stripes of Juventus.

Spurs have thrown their hat in the ring for Southampton's loanee Toby Alderweireld whom owners Atletico Madrid value at £14m, for now.

He made 26 fairly impressive starts for the Saints last season and boss Ronald Koeman will fight to keep him.

But most of the top-flight clubs are also interested and if that is Spurs' final budget they could be struggling for a striker next season with the brilliant Harry Kane being sought-after left, right and centre.

NEW No2:  
O'Driscoll

## REDS KOP ENGLAND GAFFER

LIVERPOOL have signed another England international. The nation's Under-19 manager Sean O'Driscoll is to join the Anfield coaching ranks.

The 57-year-old is an experienced coach who has been in charge at Nottingham Forest, Doncaster, Bournemouth, Crawley and Bristol City.

Just as Brendan Rodgers is shuffling his first team squad, he is also having a summer overhaul of the backroom team.

O'Driscoll has yet to accept but it is under stood he will.

His exact position is yet to be confirmed.

O'Driscoll found it tough to quit the international set-up, where he has been a valued member since last September.

But the appeal of working with Rodgers presented a chance he could not turn down.

The Reds bade farewell to assistant manager Colin Pascoe earlier this month.

And they decided not to renew the contract of first-team coach and former player Mike Marsh.

The robust end-of-season review took in the whole set up — not just the players — to find out why the Reds failed to retain their Champions League status in finishing a disappointing sixth.

O'Driscoll gets on well with Rodgers, having been to the Melwood training centre to some watch his coaching in action.

He is known to share to the Reds boss' high-tempo, free-flowing football philosophy.

Liverpool are also expected to promote highly-rated academy coach Pepijn Lijnders from the under-16s team before the start of pre-season next week.

The players return to Melwood on Monday, with the exception of those who were involved in the later stages of the Under-21 Euros and Copa America, with a number of signings seeing team-mates for the first time.

Charlton teen Joe Gomez is one of the six summer signings and while he holds first-team ambitions he is going to

have to wait as he will be loaned out next season.

Gomez said: "I met Mr Rodgers and that was a defining factor. He was positive and has already shown he will give young players an opportunity."

"I thought carefully where would be the best place and give me the best chance to play — it was Liverpool."

"I can understand Charlton fans wanting me to stay another year — that it would be best for me to develop — but I'm ambitious and want to keep learning. Liverpool was hard to turn down."

"I had my mind set on Liverpool and tried not to let the talk of other clubs distract me. I didn't really focus on anything else."

"It is a massive club and a step up from where I've been playing."

"There are a lot more challenges but I'm going in with the aim to challenge for a place, regardless of age."

"I want to prove myself, take this chance with both hands and try to play."

## WOMEN'S WORLD CUP SEMI-FINAL

# STEPH'S CAPTAIN MARVEL

## Skipper Houghton leads from back for Lionesses

By JOHN ANTHONY

**ONE figure has been a towering presence in England's run to the World Cup semi-finals — Steph Houghton.**

The Lionesses skipper has been at the heart of a defence that has stood firm against some of the best attacks on the planet.

The Man City defender has led by example, putting her head in when the boots are flying and keeping calm under great of pressure.

The Durham-born 27-year-old has clocked up more than 50 caps in the most success-

ful run in England women's history.

And her goal against Norway just after the Lionesses had gone behind was crucial in their run to the final four.

They face a strong Japan side in the small hours tonight knowing they must improve again to become the first England side to make a World Cup final since 1966.

### Efforts

The Japanese are higher in the Fifa rankings and won the last tournament in 2011, where they lost to England in the group stages.

Now Houghton hopes the team's fantastic efforts in Canada will inspire a new

generation of girls to get their footy boots on. Ratings for the England games on the BBC have been much higher than expected with more than 1.6million staying up to watch the quarter-final against Canada.

Houghton was also a key member of the Great Britain women's side that played to a packed Wembley during the 2012 Olympics.

She said: "We all mention the Olympics and how much of a watershed moment that was for women's football in England."

"Playing at Wembley and getting 70,000 fans to watch us beat Brazil was a massive moment but the fact that

we're making history and we made history the other day, we made history again against Norway, it just shows how much people have got supporting us back at home."

"We always said that we had one aim when we came here, that was to inspire and I think, hopefully, if the mums and dads have let their young girls watch the game late in England I think, hopefully, we've got a lot of young girls playing football at an early age and in the next few years we have a stronger English national team."

"That's the ultimate aim and to keep growing the

**ENGLAND** have a Welshman to thank at least in part for their World Cup success.

Manager Mark Sampson is a son of the Valleys who swapped a job at the Royal Mail for delivering success for the Three Lionesses.

And he has made an impression with his willingness to change a winning team.

But he heaps all the praise on his squad rather than his tactical talents.

He said: "These players have worked all their lives without the recognition they deserve, and it's great that they are getting the rewards now for all the dedication they have committed."

"But they are determined to keep the journey going against Japan, and we are still in there fighting."

"A lot of teams have gone home but now there are only four of us."

**Great**

"Three of the best teams in the world and England, so we have only got to win two matches to create a really special moment in England's football history."

"That's the mission now, two wins."

"And when you put it like that, it doesn't sound like a lot, but potentially it's two wins against great opponents."

"Don't worry, they will be ready to go on Wednesday. These girls will be really fired up."

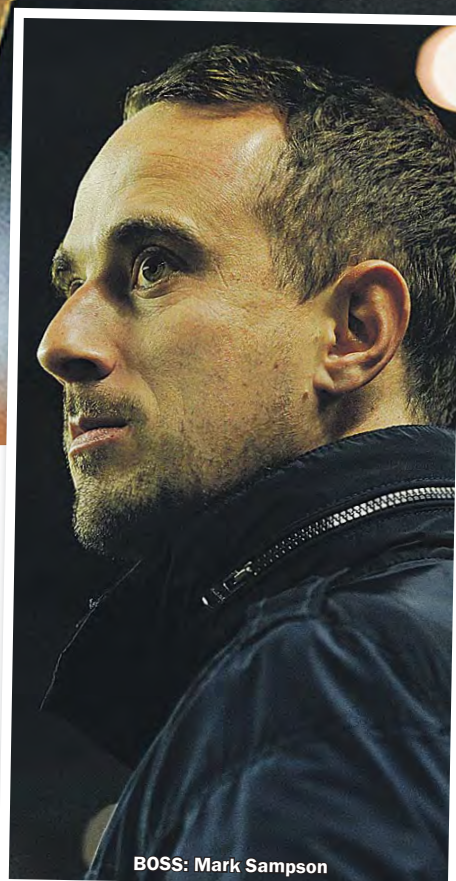

"We are feeling the huge wave of support from back home which is giving the players that extra motivation, that extra sense of pride and passion, and it's making them wake up with a spring in their step every morning."

"Hopefully the people will stay with us, stay connected to this team, get behind us again on Wednesday night and let's get ourselves in the final."

And Sampson has had good news about his goalkeeper Karen Bardsley who was forced off with a swollen eye against Canada.

She had an allergic reaction to an insect bite, but Sampson said: "KB is in a much better place now. The swelling has gone down a lot."

"We think it was a one-off event, although we have sent some test results back to the UK for analysis and to find out exactly what happened."

**BOSS:** Mark Sampson

game. Hopefully, we've inspired girls to do that."

As well as playing the long game, Houghton thinks her side has every chance of bringing home the World Cup.

She has strong words of praise for manager Mark Sampson who has made England one of the most tactically astute teams around.

**Victory**

Houghton added: "We've been on a big journey from when Mark took over in the last 18 months and it all came down to the Canada game."

"Everybody ran themselves into the ground, there was a lot of pressure on us from the crowd, from the supporters, and

to go and play under that pressure and come away with a victory and be in the semi-final of the World Cup."

And despite them being the world champions, Houghton has no fears about taking on Japan.

They have conceded just two goals on the way to the semis, although they haven't shown that much of a threat in attack.

It only took one late goal to see off Australia in the quarters and history gives England every chance.

They have taken on Japan three times and have landed one win and two draws

But Houghton is confident the Lionesses will come through

the challenge of beating the world champions.

She said: "If you look at this tournament, we played Mexico and Colombia and obviously we're higher ranked than they are so I think we've experienced both now in terms of being expected to win and playing a bit of the underdog."

"We treat every game as it comes and we know that it's going to be a massive game on Wednesday against Japan and we've got to respect them, obviously they're world champions for a reason."

"Now it's all about recovering."

"We travel to Edmonton and we focus on trying our best to get into a final."

### ENGLAND WOMEN ONE GAME FROM WORLD CUP FINAL

# GIRL POWER

## Lionesses confident of beating Japanese

By MIKE MURRAY

**ENGLAND World Cup top scorer Lucy Bronze says the Lionesses can't wait for their semi against Japan.**

Our girls take on the reigning world champs in front of what is sure to be a huge BBC1 audience tonight. The game kicks off at half-past midnight but that didn't stop more than 1.6m viewers tuning into the quarters with Canada at the same time. And Bronze thinks the fans sitting up will be rewarded by

seeing the first England side reach a World Cup final since 1966.

The Man City defender has been in fine scoring form and banged in another against the Canadians last time.

The 23-year-old said: "Japan are the favourites, we know that, but we are all confident."

"We know how we can beat them."

"They're the reigning world champions and that's a big deal."

"But for us to play one of the great teams at a World Cup is exciting. We've come across Norway, a hard Euro-

pean team, a couple of South American teams and now the home nation."

"Japan will be a different challenge again, but we're looking forward to it."

England boss Mark Sampson is aware of the challenge his team now face.

But he's impressed with his tactical juggling through the tournament, which has meant the Lionesses' rivals haven't known what to expect from them.

He said: "Japan are probably one of the most exciting teams to watch."

"They haven't scored many goals but they haven't con-

ceded many. They are the reigning champions and it will be a huge challenge but we are ready and in the next couple of days we will find a game plan and field a team that will give us a great chance to get to the final."
